AWARDPassed on this 12th day of June, 2017

1. As per letter dated 26-4-99 by the Government of India, Ministry of Labour, New Delhi, the reference is received. The reference is made to this Tribunal under Section -10 of I.D.Act, 1947 as per Notification No.L-14012/99/98/IR(DU). The dispute under reference relates to:

“Whether the action of the management of General Manager, Ordnance Factory, Itarsi in terminating the services of Shri M.G. Naik is legal and justified? If not, to what relief the workman is entitled?”

2. After receiving reference, notices were issued to the parties. Ist party submitted statement of claim at Pages 2/1 to 2/5. Case of workman is that industrial strike had taken place in 1991. The strike had continued for 46 days i.e. 4-4-91 to 19-5-91. The strike was launched by employees of Ordnance Factory, Itarsi pursuing long demands and disharmonious relation between employees and management. Strike was neither induced nor provoked by any particular individual but it was a sudden outbreak of the aggrieved/ frustrated state of mind of the employees. On 3-5-91, employees were not in receipt of their monetary salary for March 1991. Employee gathered at Admin Block to know reasons for non-disbursement of their monthly salary. All the employees gathered before Admin block asking General Manager to come before them and explain reasons for delay in disbursement of monthly salary. Employees were insisting assurance not to repeat such type of mistakes in future. That General Manager instead of coming down asked leaders of Union and associations to negotiate on such matter. One representative from each of the Union and Association came forward to negotiate with General Manager. During negotiation, General Manager expressed that there was administrative mistake. He asked them not to fight for this type of small demand rather should fight for

systematic overtime which they could not get since last one year. That the Union Representative should insist for getting systematic overtime from Ordnance Factory Board. When the leaders saw the moral support of their General Manager for their agitation for restoration of systematic overtime resorting for the benefit of their employees. They decided not to attend their work after strike from 4-4-91. In capacity of the office bearer of the registered Union affiliated to INDWF and INTUC. The workman was present with the workers gathered in admin block since 3-4-91. All Presidents and General Secretary of Union and Association met together to think for the decision of the workers to start their agitation from 4-4-91. Workers were convinced not to go on strike before completion of legal formalities.

3. It is contented that the employees decided to start their agitation from 4-4-91 morning. On 4-4-91, without taking any support from Union and association started agitations. Union and Association only supported the employees in their agitation for which one Joint front was formed consisting of one office bearer from each Union and Association to avoid any mishappening and to negotiate with the management so that the strike was called off as early as possible. Agitation was started for demand of timely payment of monthly salary, grant of Tribal Area Allowance, Restoration of systematic overtime as per the sister factories and payment of over stay in connection with the Factory Act. That Ist party was suspended on 13-4-91 by General Manager. Copy of chargesheet was also served on him in order to divert attention of striking employees regarding their original demands. Management failed to provide services of Defence Assistant to the workman despite applications dated 24-2-92. Workman was not provided services of Defence Assistant selected by him. He was given reasonable opportunity provided under Article 311 of the constitution. That charges were framed against him without conducting preliminary enquiry, without recording statements of witnesses of prosecution. The charges were based only on reports collected by Security Personnel. All witnesses of prosecution were the security persons working under the management. Any of the striking employees were not produced as witnesses of the management. The charges alleged against workman pertain to initiating striking employees to resort and participated in strike. Workman had produced his defence witnesses and defence of his brief. Enquiry Officer submitted his report on 24-11-92. Charge No. 8, 9, 11 & 13 were held not proved. Copy of the Enquiry Report was served on him on 16-12-92. Workman submitted his explanation to the Enquiry Report on 2-2-93. Meantime order of his suspension was revoked on 30-10-92. The Disciplinary Authority imposed punishment of compulsory retirement w.e.f. 28-5-93. Workman had preferred appeal against order of punishment. Without giving opportunity of personal hearing, appeal was rejected. Ist party workman reiterates that the order of compulsory retirement is illegal. Workman claimed to be innocent. The punishment of compulsory retirement is harsh. On such ground, Ist party workman prays for setting aside order of compulsory retirement.

4. 2nd party filed Written Statement at Pages 9/3 to 9/15 opposing claim of workman. 2nd party submits that services of Ist party were not terminated. Enquiry under Rule 14 CCS CCA Rules 1965 was conducted before imposing punishment of compulsory retirement. That workman was working as Fitter higher Grade in Ordnance Factory, Itarsi. During April May 1991, he actively participated in illegal strike organized by employees. Workman addressed the employees calling upon them to resort to illegal strike. Instigated the employees to continue the strike asked them not to report on shift duties, delivered inflammatory, provocative and slanderous speech while addressing unauthorized meetings on different occasions during the period 3-4-91 to 3-5-91. Unauthorized procession were organized in estate and organized unauthorized meetings at Main gate as well as in the residential areas on different occasions during the above period. Workman was placed under suspension on 13-4-91 for participating in unlawful activities. That consequent to Rule 7(ii) of CCS Rule 1964, it is provided no Government servant shall resort to or in any way abet any form of strike or coercion or physical duress in connection with any matter pertaining to his service or the service of any other Government Servant. Chargesheet was issued to workman on 4-7-91. The charges alleged were workman organizing unauthorized assembly inside factory during working hours, instigating employees against management, instigating employees to go on strike, to boycott shift duty, actively participating in illegal strike, misguiding employees, organizing, leading and taking out unauthorized procession in the estate, violating estate discipline and breaking the law and order in the estate, delivering slanderous speeches, speaking ill of Ordnance Factory Board Officer, willfully disrupting defence production, conducting unauthorized meetings in the estate, habitual offence and conduct unbecoming of a Government Servant. Workman denied charges as per representation dated 15-7-91. As per order dated 24-7-91, enquiry was constituted to enquire into charges levelled against workman. Enquiry was conducted on various dates. As per the findings of Enquiry Officer, charge Nos. 1 to 7, 10, 12, 14 & 15 were established. Enquiry Report was forwarded to workman with letter dated 16-12-92. Workman submitted representation on 2-2-93. The Disciplinary Authority considered his representation with reference to all relevant documents pertaining to the case, inquiry report as well as proceedings of enquiry and evidence on record and held him guilty of charges framed against him. Punishment of compulsory retirement was imposed on 28-5-93. Appeal preferred by workman was rejected on 17-5-96. The review appeal filed by workman to Hon'ble President of India was rejected on 10-10-97. 2nd party reiterates that workman committed misconduct after getting it proved in Enquiry Proceedings, punishment of compulsory retirement was imposed against is proper and legal. 2nd party had denied all material contentions of workman regarding factual matrix. Workman could not bring the document in support of his contention about pending demands or harmonious relationship.

5. 2nd party further submits that salary for the month of March 1991 in Ordnance Factory, Itarsi was to be disbursed on 2-4-91- 1-4-91 being no public transaction day of the Bank. The Bank could provide the amount of salary only at about 16.30 hours on 2-4-91 but disbursement of salary at this late hours was found impossible as most of the employees left the factory after expiry of normal duty hours at 16.30 hours. Hence necessary arrangement was made to disburse the salary from 8 hours to 15.30 hours on the next day on 3-4-91. The workman had instigated employees to continue on strike. Production of Ordnance Factory Itarsi was totally suffered for 45 days. On 3-4-91, workman was suspended. Kulkarni was provided as Defence Assistant to workman. Enquiry was conducted properly. Charges framed against workman. On report of gate meetings collected by Security Personnel, no pre-enquiry was conducted. Appellant not made out specific request for personal hearing. 2nd party management submits if enquiry is found vitiated, management be given liberty to lead evidence to prove misconduct. That the punishment imposed against workman is legal.
6. As per order dated 12-2-16, enquiry conducted against workman is found legal and proper.
7. Considering pleadings on record and findings on enquiry, the points which arise for my consideration and determination are as under. My findings are recorded against each of them for the reasons as below:-

(i) Whether the charges alleged against workman is proved from evidence in Enquiry proceedings?	Except charge No. 8,9,11 & 13, rest all charges are proved against workman.
(ii) Whether the punishment of compulsory retirement imposed against workman is proper and legal?	In Affirmative
(iii) If not, what relief the workman is entitled to?"	Workman is not entitled to any relief.

REASONS

8. Point No.- The term of reference pertains to legality of termination of services of Ist party workman. As per order dated 12-2-16, enquiry conducted against workman is found proper and legal. The chargesheet was issued to Ist party workman pertaining to 15 charges relating to organizing unauthorized assembly inside factory during working hours, instigating employees against management, instigating employees to go on strike, to boycott shift duty, actively participating in illegal strike, misguiding employees, organizing, leading and taking out unauthorized procession in the estate, violating estate discipline and breaking the law and order in the estate, delivering slanderous speeches, speaking ill of Ordnance Factory Board Officer, willfully disrupting defence production, conducting unauthorized meetings in the estate, habitual offence and conduct unbecoming of a Government Servant. Enquiry Officer in his report held that Charge Nos. 8, 9, 11 & 13 are not established. Question remains for consideration is whether rest of the charges are established from evidence in Enquiry Proceedings.

9. Learned counsel for workman Shri Pravin Yadav drawn my attention to statements of management's witnesses Nos. 1 to 8 in their cross-examination pointing the inconsistency and probabilities in the evidence of management's witnesses. My attention was also pointed out to statements of defence witnesses and evidence in their cross-examination. Legal position is rather settled that while exercising powers of jurisdiction, review under Section 11-A of ID Act, evidence cannot be re-appreciated.

10. The matter pertains to legality of punishment of compulsory retirement imposed against workman and not legality of the termination of workman. Punishment was imposed after issuing chargesheet and conducting enquiry. Enquiry Officer submitted his Enquiry Report holding workman guilty of the charges except Charge Nos. 8, 9, 11 & 13. Enquiry Report is produced at Exhibit M-5. Enquiry Officer has separately discussed the evidence dealing with each of the charges. Evidence of management's witness No.1 Dhiraj Kumar is devoted on the point on 5-4-91, gate meeting was organized. Such gate meeting was organized at Union outside main gate. Said meeting was arranged by workman. As per the evidence of said witness, workman had asked employees to boycott shift duties. Workman had told boycotting of shift duty for essential duty. That employees should attend duties bearing black badge, gate meeting was also organized on 11-4-91. Workman had addressed said gate meeting. He had dealt with the point of overtime was not given, they will organize dharna at DGOF's office, Factory Board, Calcutta. The gate meeting was also organized on 12-4-91 was addressed by workman. Workman had also addressed that people staying at home should join strike. He had also addressed for procession of ladies to be taken. Gate meeting was also organized on 3-5-91. It was addressed by workman. During his address, workman said that Ordnance Factory Ambajali was allowing 48 hours overtime. In his cross, said witness of management re-affirms that he was on duty on 5-4-91. He did not remember his shift. He submitted report about meeting dated 5-4-91. The meeting was organized at approx. 00 meters distance. Said

meeting was organized after 4.30 pm. He attended said meeting. He was instructed by foreman to cover the meeting. There was no instructions in writing. Instructions were given orally. He did not sign the register for going out of the factory. He did not remember whether mike arrangement was made. He has not recorded statement of workman. The meeting was devoted on the point of over time issue. That he had heard Ordiance Factory Ambajali allowing 48 hours overtime. On 11-4-91, he was on duty. He did not remember his shift. Said meeting was held outside the maingate. In his cross-examination, witness says he did not know about ladies procession. His cross-examination shows that he had come on duty on 12-4-91. Gate meeting was started at 16.30 hours. Said meeting was held at Union platform outside the gate. Workman had claimed that their strike was legal. The witness in his cross-examination says he did not remember about unparliamentary language or remarks by workman. He attended duty on 3-5-9. Union had held meeting on that day. He attended said meeting along with B.K.Gupta and Joshi. Meeting was organized, he did not remember whether he received complaint from any employee of the factory orally or writing about workman stopping them to come inside the factory for duty.

11. Evidence of management's witness Shri P.L. Mathur is devoted on the point that he did not remember his shift on 3-4-91. That on 3-4-91, workman standing on group of atleast 30 employees saying that until when overtime was sanctioned by management, he will not move from his place. On that day, few people sent to meet General Manager but he did not remember name. After refreshing his statement, management's witness says that workman Naik spoke that Attendance of all such employees coming to the factory during stike period is being recorded by Security and the attendance will be regularized. That Naik addressed gate meeting dated 23-4-91. That workman had said Itarsi Band was 100 % success. In his further evidence, witness No.2 says that the workman Naik said "इन गद्दारों से सावधान रहे, मैनेजमेंट कि चार्लो से सावधान रहे" Evidence in cross-examination shows that he was in Admin block on 3-4-91 at 11.30 AM., M.G. Naik workman went to meet General Manager. He did not remember whether Naik went to meet General Manager. In his further cross-examination that other Security Officer Deepak Gupta was assigned duty along with him for covering meeting dated 3-4-91. His further evidence shows that on 13-4-91, he did not attend duty. The meeting was held outside the factory at 16.30 hours, the meeting was held outside the main gate at Union Platform. He did not remember who recorded statement dated 13-4-91. That after refreshing his memory, witness said that statement recorded pertain to only Naik. Ist party workman also says he recorded statement. Workman saying "जो मजदूर छुट्टी पर है, वो जल्दी झूटी पर आ जाओ"

12. Statement of management's witness No. 3 Shri Tikaram pertains to on 3-4-91, he was on duty, head of Security Section instructed him to have a round inside factory and industrial canteen. Around 9.45 pm, Mr. Naik came to canteen, he stood on bench announced that the staff is not getting the payment, if you all cooperate with me, I can get overtime allowance within 24 hours after decision with General Manager. While crossing store section about 30 to 40 workers followed him. That in industrial canteen, Naik addressed about 30-40 people who were taking tea break. In his cross, MW-3 Tikaram recognized workman Naik with his name. that he has recorded statement "आप सभी लोग एडमिन ब्लॉक चलो, मिलकर GM साहब से बात करो" that Naik did not ask any employee by name to Admin Building. He was unable to tell whether workers have gathered in front of store section in industrial canteen. Head of the section had told him to record statement on 3-4-91. He was unable to tell names of persons who followed M.G.Naik. that M.G. Naik did not use abusive language or slogans. Management's witness A.V.Joshi in his evidence says that he had recorded statement on 30-4-91. The meeting was held at Union platform on 13-4-91. Shri M.G. Naik spoke such employee who are on duty shall receive payment. Employees who are on leave or medically unfit should try to come for duty as early as possible. He also recorded statement covering meeting dated 15-4-91. Naik(workman) had addressed said meeting. It is a joint report recorded on 15-4-91. Mr. Naik spoken on overtime issue- "हम ओवरटाइम लेकर रहेंगे" In his cross-examination, Shri A.V. Joshi witness No.4 was unable to tell who was addressing him to cover meeting dated 5-4-9. He had recorded meeting work. He did not remember his working hours on 13-4-91, 26-4-9. He agreed that those meetings were held after working hours. He was unable to identify names of workers standing on Union platform shouting slogans. The statements of management witness No.4 says that he was not given written instructions during strike period. He did not remember in which shift he was working on 13-4-91, 15-4-91, 26-4-91. He did not remember whether he was on duty on 29-4-91. He did not remember on which topic Naik workman given speech on 3-5-91.

13. Evidence of management's witness No.5 Prem Kumar is devoted about meeting dated 12-4-91, 15-4-91. The report of those meetings were written by him. His further statement shows that some officers Foreman, other persons from essential services attended state meeting. He confirmed contents of reports dated 11-4-91, 12-4-91, 15-4-91. He did not remember how many persons were addressed in meeting dated 11-4-91. That he was not close to M.G.Naik workman through out the procession dated 12-4-91. In reply to Q.13, witness says only Electrical and Water supplies went to their respective units, others did not go. Gate meeting dated 26-4-91 was held after shift hours.

14. Management's witness No.6 and other witnesses also corroborated evidence that workman had addressed to the meeting dated 11-4-91 and other meetings. Only meeting dated 23-4-91 Naik had spoken witnesses were unable to tell the topic of the speech. All 5 Defence witnesses examined in defence enquiry tried to support the defence of workman. I am not inclined to discuss their evidence in detail as evidence of management's witnesses about gate meeting and slogans, procession supports the findings of Enquiry Officer. Evidence cannot be re-appreciated.

15. Learned counsel for 2nd party Shri A.K. Shashi emphasised that the strike was illegal. However any documents declaring the strike illegal has not been produced. At the same time, Ist party also not pleaded that the strike was resorted after giving notice of 14 days contemplated under Section 22 of ID Act. The strike has not been declared illegal under Section 24 of the ID Act. The pleadings of the parties are silent whether the strike was declared illegal. Chargesheet has been issued to workman under Rule 14 CCS CCA Rules alleging the misconduct. Evidence adduced by management in Enquiry Proceedings supports findings of Enquiry Officer that Charge Nos. 1 to 8, 0, 3 are not established. Rest of the charges are proved against workman. I donot find any reason to interfere in the findings recorded by Enquiry Officer considering the evidence dealing with each of the charge.

16. Learned counsel for 2nd party Shri A.K. Shashi relies on ratio held in case between

State Bank of India versus Ramesh Dinkar Punde reported in 2006(7)SCC-212. Their Lordship held with reappreciation of evidence by High Court impermissible.

Further reliance is placed on ratio held in case between West Bokaro Colliery versus Ram Pravesh Singh reported in 2009-I-LLJ-220(SC). Their Lordship dealing with Section 11-A of ID Act held standard of proof in departmental proceeding is different from that in criminal case. That standard of proof in departmental proceeding was preponderance of probabilities and the Tribunal had set aside the dismissal by observing that the charges against respondent were not proved beyond reasonable doubt, erroneously applying the yardstick of criminal proceedings.

Reliance is placed in case between R.S. Saini versus State of Punjab and others reported in 1999(8)SCC-90. Their Lordship dealing with scope of judicial review, limited scope. Held if there is some evidence to reasonably support finding of inquiring authority, the court in exercise of its writ jurisdiction would not reverse the finding on the ground of insufficiency of evidence.

Considering ratio held in above cases and evidence in Enquiry proceedings, I record my finding in Point No.1 that except charge Nos. 8, 9, 11 & 13, rest all charges are proved against workman.

17. Point No.2- In view of my finding in Point No.1 that except charge Nos. 8, 9, 11 & 13, all charges are proved against workman, punishment of compulsory retirement imposed against him, question remains for consideration is whether punishment is legal and proper. On the point Shri A.K.Shashi counsel for 2nd party relies on ratio held in case between-

Cement Corporation of India versus State of HP and others reported in 1995-II-LLJ-987. Their Lordship held workmen are entitled to agitate against financial irregularities committed by the management. However they are not entitled to close the factory by illegally blowing the siren, creating a violent mob ad engage in a wide spread physical assault of almost all officers. There can be no other misconduct more serious than the one in the present case. There is no other proper and justified misconduct deserving the extreme penalty of punishment. The judgment of Labour Court holding dismissal is not illegal cannot be characterized as extreme or harsh.

Reliance is also placed in case between New Sherrock Mills and Maheshbhai T. Rao reported in 1997-I-LLJ-121. The ratio held in the case pertains to badly workman entering office of the Deputy Manager and threatening that the Mill Officers will not be safe outside the mill. Labour Court exfinancial irregularities committed by the management. However they are not entitled to close the factory by illegally blowing the siren, creating a violent mob ad engage in a wide spread physical assault of almost all officers. There can be no other misconduct more serious than the one in the present case. There is no other proper and justified misconduct deserving the extreme penalty of punishment. The judgment of Labour Court holding dismissal is not illegal cannot be characterized as extreme or harsh.

Reliance is also placed in case between New Sherrock Mills and Maheshbhai T.Rao reported in 1997-I-LLJ-121. The ratio held in the case pertains to badly workman entering office of the Deputy Manager and threatening that the Mill Officers will not be safe outside the mill. Labour Court exercising jurisdiction under Section 78 directing reinstatement of workman with forty percent backwages. The domestic enquiry was found proper and legal. Order of discharge was not by way of victimization and the workman was guilty of serious misconduct. It was held that punishment awarded by management was shockingly disproportionate.

In present case, the evidence on record shows that production of the factory was affected for about 45 days. The strike was resorted by employees, gate meetings and assemblies were organized by Ist party workman. The

punishment imposed on workman cannot be said shockingly disproportionate. Accordingly I record my finding in Point No.1 that workman is not entitled to any relief.

18. In the result, award is passed as under:-

- (1) The action of the management of General Manager, Ordnance Factory, Itarsi in terminating the services of Shri M.G.Naik is legal and justified.
- (2) Workman is not entitled to any relief.

AWARD

Passed on this 25th day of May 2017

1. As per letter dated 27-12-95 by the Government of India, Ministry of Labour, New Delhi, the reference is received. The reference is made to this Tribunal under Section -10 of I.D.Act, 1947 as per Notification No.L-40012/184/94-IR(DU). The dispute under reference relates to:

“Whether the action of the Supdt. Of Post Offices, Shahdol Division, Shahdol in removing Shri Saraswati Prasad Namdeo, Extra Departmental, Branch Dakpal, Vill. Lakhora (Rajendragram), Distt. Shahdol from services w.e.f. 18-6-92 is legal and justified? If not, to what relief the workman is entitled to?”

2. After receiving reference, notices were issued to the parties. Workman submitted statement of claim at Page 3/1 to 3/3. Case of workman is that he was employed on 17-10-75 as Extra Departmental Dakpal in Village Lakhora, District Shahdol by Superintendent of Post Office, Shahdol. Chargesheet was issued to him making certain allegations

as per letter dated 24-4-91 that enquiry was conducted against him. Enquiry Officer held him guilty of charges alleged. Disciplinary Authority Superintendent Post Office, Shahdol accepted report of Enquiry Officer and imposed penalty of removal from service. Appeal preferred by workman challenging his removal was dismissed as per order dated 21-12-92. Workman contented that the enquiry was conducted against him in bias mind. Dismissal of workman is malafide. In that regard, workman submits that allegations were made that workman used to come on duty in intoxicated condition. Enquiry Officer accepted it as truth. Earlier the workman was not served any chargesheet. There was no evidence before Enquiry Officer about workman received amount, any complaint was not submitted against workman. Enquiry Officer relied about statement of prosecution witnesses obtained through preliminary enquiry. It is reiterated that enquiry was not conducted according to rules. Punishment of removal from service is harsh and excessive as such illegal. On such contentions, workman prayed for his reinstatement with backwages.

3. 2nd party management filed Written Statement at Page 5/1 to 5/3 opposing claim of workman. 2nd party has pleaded that workman was engaged as Extra Departmental Dakpal Branch Lakhora, Distt. Shahdol on 7-10-75. Workman was in habit of committing violations of post of telephone regulations. Workman was put up duty in the period 18-10-86 to 7-2-88. Workman was issued warning on 4-1-90 for serious lapse of misappropriation. 2nd party submits that Enquiry Officer was appointed for enquiry in respect of chargesheet dated 24-4-91 enquiry was conducted following procedure under Rule-14 of CCS CCA Rules 1965. Principles of natural justice were followed. Enquiry Report was supplied to workman on 20-4-92. Considering report of Enquiry Officer, Disciplinary Authority imposed punishment of removal from service. The appeal preferred by workman challenged order of his dismissal was dismissed on 21-12-92. 2nd party further contends that if enquiry is found vitiated, it may be permitted to prove misconduct adducing evidence. Management prayed for rejection of claim.

4. As per order dated 10-5-16, enquiry conducted against workman is found vitiated. Management was permitted to prove misconduct in Court.

5. Considering pleadings on record and findings on enquiry, the points which arise for my consideration and determination are as under. My findings are recorded against each of them for the reasons as below:-

(i) Whether the management proves misconduct alleged in chargesheet dated 24-4-91?	In Negative
(ii) Whether the punishment of removal imposed against workman is proper and legal?	In Negative
(iii) If not, what relief the workman is entitled to?"	As per final order.

REASONS

6. Point No.1,2: Chargesheet was issued to workman Exhibit M-1 pertains to workman had shown less amount of Rs.277.30 on 31-3-91, workman had not followed Rule 177(3,4). Workman remained absent on 21-1-90, 13-2-90 etc. that amount of Rs.511, 40, 320- total Rs.872.50 was not accounted on verification. The amount of various money orders were not accounted. As per order dated 11-5-16, enquiry conducted against workman is found vitiated. Though management was granted permission to prove misconduct by adducing evidence, case was adjourned several times but management not filed any evidence. As such charges/ misconduct alleged against workman is not proved by management. Accordingly I record my finding in Point No.1.

7. Point No.2- The charges/ misconduct alleged against workman are not proved, consequently punishment of removal imposed against workman seems to be improper and illegal. Accordingly I record my finding in Point No.2.

8. Point No.3- In view of my finding in Point No.1 charges are not proved, Point No.2 punishment of removal imposed against workman is not proper and legal, during pendency of the reference died, his LR's are not brought on record, as per Section 10(8) of I.D.Act, the reference doesnot abate by death and reference requires to be decided. As punishment of removal is not legal, workman deserves to be reinstated and consequential benefits be paid till his death. Accordingly I record my finding in Point No.3.

9. In the result, award is passed as under:-

- (1) The action Supdt. Of Post Offices, Shahdol Division, Shahdol in removing Shri Saraswati Prasad Namdeo, Extra Departmental, Branch Dakpal, Vill. Lakhora (Rajendragram), Distt. Shahdol from services w.e.f. 18-6-92 is not legal and proper.

- (2) The order of removal of workman dated 18-6-92 is quashed. 2nd party management is directed to give benefit of deemed reinstatement with full backwages till death of workman i.e. 8-12-2016.

Amount as per above order shall be paid to legal heirs of workman within 30 days from the date of notification of award. In case of default, amount shall carry 9 % interest per annum from the date of award till its realization.

AWARD

1. The Central Government vide Order No.L-14012/02/2012-IR(DU) dated 07.08.2012 in exercise of the powers conferred by Clause (d) of Sub-Section (1) and Sub-Section2(A) of Section 10 of Industrial Dispute act, 1947 has made this reference for adjudication with following Schedule :

SCHEDULE

“Whether the action of the management of Hindustan Aeronautics Limited, Bangalore is justified in not confirming the services of Shri A. Lourdu Swamy amongst 44 others term contact labour (i.e. Sh. Gunashekar and 44 others) as per the settlement dated 22.06.2009 of the High Court decision. If not, what relief the said workman is entitled to?”

2. The I Party submitted in the claim statement as follows:-

The I Party workmen state that they have joined the work in canteen of the Air Craft Division of the II Party on 16.02.1982. The I Party have been discharging their duties continuously to the full satisfaction of his superiors until they have been refused employment w.e.f. 10.01.2008. Therefore, the I Party workmen pray that, this Court may be pleased to answer the points of dispute in favour of the I Party workmen and direct the II Party to reinstate and regularize the I Party by confirming their service from the date when the co-workers have been regularized and confirmed and grant all other consequential benefits of reinstatement and regularization including full back wages, continuity of service etc., in the interest of justice and equity.

3. However, in the Judgment passed by the Hon’ble Supreme Court in Civil Appeal Nos. 9332-9333/2010, dated 26.02.2016, in the case of Nashik workers Union Vs Hindustan Aeronautics Limited, it is clearly held as follows:- “As we have set aside the order passed in L.P.A. No. 84 of 2006 and opined that the ‘appropriate Government’ in relation to the respondent company (HAL) is the State Government, the matter has to be remitted to the High Court for fresh adjudication on merits.”

4. In the above mentioned facts and circumstances, an important and preliminary point arises for consideration, with regard to the above mentioned matter as follows:- “Whether this Court lacks jurisdiction to try the present Matter?”

5. **POINT :-** In the present case, the I Party has prayed to direct the II Party/HAL Management to reinstate and regularise the I Party by confirming their services from the date when their co-workers have been regularized and confirmed and grant all other consequential benefits of reinstatement and regularisation including full back wages, continuity of service, etc., in the interest of justice. Hence, it is crystal clear that as per the above mentioned judgment of the Hon’ble Supreme Court of India, this Court lacks jurisdiction to try the present matter.

6. Further, taking into consideration the above mentioned points and principles as laid down by the Lordships of the Hon’ble Supreme Court of India, this Court has no other alternative, except to follow the said judgement of the Hon’ble Supreme Court of India. In fact, the I Party has also not disputed the said details. At the same time, this Court is not expressing any opinion on other issues raised by both the sides, as this Court lacks jurisdiction to entertain the present matter of this nature and also liberty is granted to the I Party to raise the dispute before the proper, competent and appropriate Judicial Forum/Tribunal/Court within 30 days from the date of receipt of the present Award passed by this Court, in the best interest of justice, equity and fair play. Accordingly, this point is answered. Hence, the following Award is passed:-

AWARD

This Tribunal has no jurisdiction to entertain the dispute raised by the I party, particularly, in the light of the above mentioned judgement passed by the Hon’ble Supreme Court in Civil Appeal Nos. 9332-9333/2010, dated 26.02.2016, in the case of Nashik workers Union Vs Hindustan Aeronautics Limited and the present matter suffers for want of jurisdiction before this Court and liberty is given to the I party to raise the dispute before the proper, competent and appropriate Judicial Forum/ Tribunal/Court, within 30 days from the date of receipt of the present Award, by adopting the procedure known under the law, in the best interest of justice, equity, good conscience and fair play and this Court has not expressed any opinion regarding the various other issues raised by both the parties, as the present matter has been disposed of, on the limited ground of jurisdiction point alone, and also, without costs, for the above mentioned facts and circumstances.

AWARD

Government of India, Ministry of Labour vide letter No.L-42012/171/2015-IR(DU) dated 17.11.2015 referred an industrial dispute for adjudication under clause (d) of sub-section (1) and sub-section(2A) of Section 10 of the Industrial Disputes Act, 1947(in short the Act), terms of which are as under:

‘Whether the workman, Shri Pawan Kumar is entitled to overtime wages for the period he worked beyond hours of work prescribed under the Act and is he entitled to any relief or compensation subsequent to his being relieved from service?’

2. Claim statement was filed by Shri Pawan Kumar, the claimant herein, wherein it is averred that he was initially appointed as cook on 15.02.2012 at L&T Staff Mess, B-1/104, II Floor, Paschim Vihar, New Delhi. The claimant has put in more than 8 hours from 6 a.m. to 11 p.m. with break of 3 hours from 3 p.m. to 6 p.m. However, he was paid Rs.9000.00 only but no overtime wages was paid to him. The claimant is entitled to receive overtime wages at double the rate of his wages and a reputed company like the management who is well versed with labour laws has been exploiting the claimant by not paying overtime wages, ESI, EPF etc., which is in violation of labour laws. The claimant had to proceed on leave from 25.03.2014 to 10.04.2014 in connection with school admission of his children and he had to overstay his leave for 5 days. However on his return, management refused to take him on duty. Wages for the month of March 2014 was also not paid to the claimant. His services were terminated without giving any retrenchment compensation, notice or notice pay, gratuity, earned wages and balance of overtime, which is in clear violation of labour laws. The claimant finally approached the Deputy Chief Labour Commissioner (Central) who issued

notice to the management. However, due to the adamant attitude of the management, no conciliation could be arrived at. Hence, this reference. The claimant has also filed application under Minimum Wages Act. The claimant has prayed that he be reinstated in service with full back wages and all consequential benefits.

3. Written statement was filed by the management, who have taken various preliminary objections, including that of misuse of process of law by making of false and frivolous allegations, there being no relationship of employer and employee between the parties, suppression of true material facts etc. Management has denied the other material averments contained in the statement of claim. Finally, it has been prayed that the claim be dismissed.

4. Rejoinder was filed on behalf of the claimant wherein the stand taken in the statement of claim has been reasserted and denied the material allegations contained in the written statement of the management.

5. Based on the pleadings of the parties, this court vide order dated 22.02.2017 framed the following issues and the case was listed for evidence of the claimant:

- (i) Whether the reference is not legally maintainable in view of the preliminary objections?
- (ii) In terms of reference

6. In the meanwhile, parties stated that there was a possibility of settlement and the parties were directed to come with a specific offer. On 01.08.2017, in the Lok Adalat, management made an offer that they are ready and willing to consider the claim of the claimant and matter was discussed by the official of the management with their higher authorities, who took a favourable view of the matter. Finally, amicable settlement was arrived at between the parties. Claimant accepted the offer that he is ready and willing to accept an amount of Rs.30,000.00 as full and final settlement and his statement was recorded in the Lok Adalat on 01.08.2017 to the effect that he has settled all his disputes with the management, including the case pending before the Regional Labour Commissioner(Central) for an amount of Rs.30,000.00 as full and final settlement. He was paid an amount of Rs.10,000.00 in the Lok Adalat and the remaining amount of Rs.20,000.00 shall be paid by the management before the Regional Labour Commissioner (Central), Jeevan Deep Building, New Delhi on 08.08.2017. Statement of Shri Rajesh Kumar, Assistant Manager:IR on behalf of the management was also recorded.

8. In view of the statements made by the claimant as well as Shri Rajesh Kumar, Assistant Manager:IR of the management, case was finally settled between the parties in the Lok Adalat on 01.08.2017. Since the claimant has settled his grievance and no controversy survives between the parties. Statements made by the claimant and Shri Rajesh Kumar, Assistant Manager:IR on behalf of the management shall form integral part of the award. An award is, accordingly, passed. Let this award be sent to the appropriate Government, as required under Section 17 of the Industrial Disputes Act, 1947, for publication.

AWARD

Pursuant to receipt of a reference vide letter dated L-42012/109/2011-IR(DU) dated 17.02.2012 under clause (d) of sub-section (1) and sub-section(2A) of Section 10 of the Industrial Disputes Act, 1947(in short the Act), this Tribunal is required to adjudicate an industrial dispute, terms of which are as under:

Whether the action of the management of Director General of Meteorology, New Delhi in terminating the services of Smt. Uma Devi, Daily rated workman with effect from 10.03.2010 is legal and justified? What relief the workman is entitled to?

2. It is the case of Smt. Uma Devi (in short the claimant) that she was engaged as peon on 07.05.2004 with India Meteorological Department (in short the management) and her name was sponsored by Employment Exchange as daily wager @ Rs.151.00 per day. She was performing her duties sincerely and honestly. On 10.03.2010, caretaker Shri Kuldeep working with the management misbehaved with her and tried to outrage her modesty. She has also given in writing against the indecent behavior of Shri Kuldeep, but of no use. As a result of this, he was nursing a grudge against the claimant and her service was terminated on 10.03.2010. Her salary for the month of March 2010 has also not been paid. Thereafter, management recruited some other person in her place, which is patently illegal and in violation of provisions of the Act.

3. It is also the grievance of the claimant that she was not being paid minimum wages by the management and she has continuously worked with the management right from 07.05.2004 to 10.03.2010. She has not been paid wages from September 2009 to 10.03.2010. Thereafter, the claimant has sent demand notice vide letter dated 20.07.2010 but the management has not given reply to the said demand notice. Matter was also referred to the Assistant Labour Commissioner for conciliation. However, no settlement could be arrived at between the parties and the ALC under Section 12(4) of the Act submitted failure report to the appropriate Government, which resulted in making the above reference to this Tribunal.

4. The case was contested by the management, who filed written statement to the statement of claim. The management has taken preliminary objections, inter alia of the management not being covered under the definition of 'industry', and as such, this Tribunal cannot adjudicate the matter. There is no relationship of employer and employee between the management and the claimant. However, it is admitted that the claimant was engaged with the management for casual work of housekeeping till 31.10.2009 and thereafter the management has adopted the policy of Government of India for outsourcing of manpower for the works of housekeeping and open tender was invited and M/s. V.K. Engineering and Contractors, was engaged on 03.11.2009 for supply of manpower. The claimant was engaged by the above agency on 03.11.2009 and she was paid wages for the months of November 2009 to February 2010 by the said agency. Thus, till 31.10.2009 claimant had been engaged for the casual work of housekeeping and she has worked for the period a mentioned in para 3 of the written statement. It is reiterated that after 31.10.2009 management implemented the policy of the Government for outsourcing of manpower for the work of housekeeping. As such, there is no legal right of engaging or employing such permanent casual labour. Management also denied the allegation leveled against Shri Kuldeep. In para 5 of the written statement, it is admitted that the claimant has lodged complaint on 22.07.2010 with the Assistant Labour Commissioner and both parties had appeared before the Assistant Labour Commissioner. However, no settlement could be arrived at between the parties. Finally, prayer has been made by the management for rejection of the claim of the claimant.

5. Against this factual background, based on the pleadings of the parties, my learned predecessor, vide order dated 15.05.2012, framed the following issues:

- (i) Whether the claimant was engaged by M/s. V.K. Engineers & Contractors with effect from 03.11.2009 to February 2010 to discharge their obligations with the management in pursuance of agreement dated 03.11.2009.
- (ii) Whether there were relationship of employer and employee between the claimant and the management with effect from 03.11.2009.?
- (iii) Whether the management is an 'industry' as defined under the Industrial Disputes Act?
- (iv) As in terms of reference

6. Claimant, in order to prove her case against the management, examined herself as WW1 and her affidavit is Ex.WW1/A. She also tendered in evidence documents Ex.WW1/1 to Ex.WW1/17. Management, in order to rebut the case of the claimant, examined Shri Nikhil Gupta, Field Officer as MW1 and Shri S.K. Roy, Assistant Meteorologist at MW2, whose affidavits are Ex.MW1/A and Ex.MW2/A and they had also relied on certain documents.

7. I have heard Shri Anil Rajput, A/R for the claimant and Shri Atul Bhardwaj, A/R for the management.

Issue No.iii

8. Since this issue is purely legal in nature and this objection has been taken by the management in its pleadings that the management does not fall within the definition of 'industry' as defined under section 2(j) of the Act, as such this Tribunal has no powers to adjudicate this case, is being taken first. Per contra, Shri Anil Rajput, authorized representative, appearing on behalf of the claimant urged that the definition of 'industry' as given in Section 2(j) of the Act is very wide and comprehensive so as to cover the nature of work which was being performed by the claimant herein is within the ambit of the expression 'industry'. In order to appreciate the submission raised by the management, it is necessary to reproduce the provision of section 2 (j) which defines industry as under:

"Industry" means any business, trade, undertaking, manufacture or calling of employers and includes any calling, service, employment, handicraft, or industrial occupation or avocation of workmen.

"The definition of 'industry' is in two parts. In its first part it means any business, trade, undertaking, manufacture or calling of employers. This part of definition determines an industry by reference to occupation of employers in respect of certain activities. These activities are specified by five words and they determine when an industry is and what the cognate expression 'industrial' is intended to convey. The second part views the matter from the angle of employees and is designed to include something more in what the term primarily denotes. This part gives extended connotation. If the activity can be described as an industry with reference to the occupation of the employers, the ambit of the industry, under the force of the second part, takes in the different kinds of activity of the employees mentioned in the second part. But, the second part alone cannot define 'industry'. An industry is not to be found in every case of employment or service. By the inclusive part of the definition the labour force employed in an industry is made an integral part of the industry for purposes of industrial disputes although industry is ordinarily something which employers create or undertake. Before the work engaged in by an employer can be described as an industry, it must bear the definite character of 'trade' or 'business' or 'manufacture' or 'calling' or must be capable of being described as an undertaking resulting in material goods or material services. Where an activity is to be considered as an industry, it must not be casual but must be distinctly systematic and the work for which workmen are employed must be productive and the workmen must be following an employment, calling or industrial avocation. The work 'industry' must take its colour from the definition and that it discloses that a workman is to be regarded as one employed in an industry if he is following one of the vocations mentioned in conjunction with his employers engaged in the vocation mentioned in relation to the employers.

12. The Hon'ble Apex Court in the case of Bangalore Water Supply and Sewerage Board Vs. A. Rajappa 1978 (36) F.L.R. 266 dealt at length with the ambit and scope of expression industry as defined in section 2 (J) of the Act and held as under:

- (a) Where a complex of activities, some of which qualify for exemption, others not involves employees on the total undertaking some of whom are not "workmen" as in the University of Delhi case (supra) or some departments are not productive of goods and services if isolated, even then, the predominant nature of the services and the integrated nature of the departments as explained in the Corporation of Nagpur (supra), will be the true test. The whole undertaking will be 'industry' although those who are not 'workmen' by definition may not benefit by the status.

- (b) Notwithstanding the previous clauses, sovereign functions, strictly understood, (alone) qualify for exemption, not the welfare activities or economic adventures undertaken by Government or Statutory bodies.
- (c) Even in departments discharging sovereign functions, if there are units which are industries and they are substantially severable, then can be considered to come within section 2 (j).
- (d) Constitutional and competently enacted legislative provisions way well remove from the scope of the Act categories which otherwise may be covered thereby.
- (e) We overrule Safdarjung (supra), Solicitors' case (supra), Gymkhana (supra), Delhi University (supra), Dhanrajgirji Hospital (supra) and other ruling whose ratio runs counter to the principles enunciated above, and Hospital Mazdoor Sabha (supra) is hereby rehabilitated."

9. It is also clear from various rulings rendered by various High Courts as well as Hon'ble Apex Court that any skilled or unskilled activity being performed by the workman in the department of the Government, as is the position in the present case, would also be covered by the definition of 'industry' as defined above. Since the claimant herein was doing all kinds of work of peon and housekeeping jobs etc., the same would fall within the 2nd para of the definition i.e. services being taken by the employer from the workman. Learned A/R for the management could not cite any authority where it has been held that Meteorological Department of the Government of India does not fall within the definition of 'industry' and the department had engaged the claimant for performing manual and housekeeping work. In view of this, this issue is decided accordingly.

Issue No.(i), (ii) and (iv)

10. All these issues are being taken up together for the purpose of discussion as they are inter-related and can be conveniently disposed of. It is clear from matrix of the pleadings on record that the claimant was engaged on 07.05.2004 as her name was sponsored by Employment Exchange as daily wager @ Rs.151.00 per day. Management has come with specific stand that there is no relationship of employer and employee between the claimant and the management. In para 2 of the preliminary objections, it is alleged that the claimant was engaged by the management for casual work of housekeeping till 31.10.2009. After that, the management has adopted policy of Government for outsourcing of manpower for the work of housekeeping through open tender. It was thereafter that the management had outsourced the job to M/s. V.K. Engineers and Contractors. A careful perusal of the written statement filed by the management would show that in para 1 of the written statement, on merits it has been admitted that the claimant was engaged as peon and as per office record she was engaged for casual work on 11.05.2005 for 89 days with few spells and the dates of engagement has been given in Annexure AI. As per the contention of the management, engagement of the claimant from 07.05.2004 is totally false. Since management has admitted in the pleadings that she was initially engaged on 11.05.2005 for 89 days for few spells as casual worker, in such circumstances, it is clear that the claimant was initially directly engaged by the management for the work of housekeeping etc. In this regard, it is appropriate to refer to the statement of the claimant WW1 whose affidavit is Ex.WW1/A. Affidavit of the claimant is on the same lines as the stand taken in her statement of claim. She has specifically denied the suggestion, while appearing as WW1, that she was initially engaged only for specific period. Rather, she has deposed that her appointment was regular. She admitted that she does not have any document to show that she was engaged by the management and was working since 07.05.2005. She has clarified that gate pass was issued to her only in 2005 and prior to this, she was allowed entry without any gate pass. She has admitted that her name was sponsored by employment exchange for working with the management many a times and she was being engaged by the management as and when her name was sponsored. She has denied that the employment exchange has sponsored her name only 4 times. She has also named Ms. Seeba, officer of the management who had appointed her. It was Shri Kuldeep, Caretaker, who had terminated her services. He had also misbehaved with her. She has denied the suggestion that from 11.05.2005 to 31.01.2008 she had not worked in the office of Deputy Director General Meteorology and she clarified that she has served Deputy Director General Meteorology from 07.05.2004 till 2007. From 19.03.2008 to 31.10.2009 she was engaged in the office of Director General, Meteorology. It is, thus, clear from the various suggestions given to the claimant by the management that she was in the employment of the management right from 11.05.2005 till 31.10.2009 either in the office of Deputy Director General Meteorology or in the other wing of the management. She has specifically denied that she has been paid wages for the month of November 09 by the contractor M/s. V.K. Engineers and Contractors. She has denied that she has been paid entire wages up to 10.03.2010. She has specifically denied that she herself stopped attending her duties. It is pertinent to note here that though the claimant was cross-examined three times on different occasions, no document regarding payment of wages by the contractor directly to the claimant was put to her. It is the stand of the management that from November 2009 work was outsourced to M/s. V.K. Engineers and Contractors.

11. It is not out of place to mention that even regarding indecent assault by Shri Kuldeep, claimant has moved application to Ayukt Police Delhi ITO, copy of which is Ex.WW1/1 wherein there is specific mention of the fact that

Shri Kuldeep, Caretaker had tried to sexually harass her. She has also filed application before the Rashtriya Mahila Ayog Ex.WW1/2. Copy of complaint letter filed by the claimant is Ex.WW1/5 which bears her signature, where she has raised the present industrial dispute against her illegal termination on 10.03.2010. Thus, from evidence adduced by the claimant, relationship of employer and employee even in the year 2005 onwards stands established. The very fact that the management has stated that she was initially engaged for a few days only is also clearly suggestive of the fact that she was directly in the employment of the management right from the year 2005.

12. Statement of Shri Nikhil Gupta MW1 regarding direct relationship of employer and employee between the claimant and the management is not of much help as this witness has only deposed regarding the period after November 2009 when work was outsourced to M/s V.K. Engineer and Contractors. As per affidavit of this witness Ex.WW2/A, claimant was engaged on 03.11.2009 and her period of engagement is also mentioned in paras 2 and 3 of the affidavit. This witness has also made a vital admission in his cross examination that prior to her engagement by the contractor she was working in Mausam Bhawan prior to November 2009. Statement of this witness also does not inspire confidence as he has deposed in his cross examination that the claimant alongwith other daily wagers worked with Mausam Bhawan and requested the contractor for their engagement. There was normally no question of making request to the contractor directly inasmuch as the claimant was already in the employment of the management. Finally, wage slip Ex.MW1/1 as well as Ex.MW2/2 to Ex.MW2/4 is not of much help to the management as these are pay slips pertaining to the period January 10 onwards. Pay slip Ex.MW1/4 shows that the claimant was working at IMO New Delhi and her salary was paid through M/s V.K Engineers and Contractors. Ex.MW1/5 is the copy of attendance roll of the workmen engaged by M/s V.K. Engineers and Contractors and name of the claimant is mentioned at serial No.5.

13. Since from the evidence on record, it is apparent that the claimant was initially engaged as casual labour even as per the stand of the management, in the year 2005 though the case of the claimant is that she was engaged by the management on 07.05.2004. Admittedly, when the above work was outsourced and given to the contractor M/s V.K. Engineers and Contractors in November 2009, claimant was already in the employment prior to that or directly under the management. As this fact has been duly admitted by MW1 also, in such a situation, it was incumbent upon the management to have filed and proved the documents that she was not at the relevant time directly engaged by the management or she has not completed 240 days in a calendar year when the work was outsourced to M/s V.K. Engineers and Contractor in November 2009. Management has not proved attendance roll pertaining to the years 2004-05, 2005-06, 2006-07, 2007-08 and 2008-09 showing the period during which the claimant, in fact, has worked as peon/housekeeping in the premises of the management. During the course of arguments, this fact was not even disputed by the management that she was working in the premises of India Meteorological Department right from 2005 and the only submission raised by the management is that in fact she was a casual worker and was employed on need basis from 2005 till 2009; as such, there was no question of her regular employment with the management since the claimant herein was in the employment as casual labour or daily wager worker etc. with the management. As such, the claimant would fall within the definition of 'workman' as defined under Section 2(s) of the Act. Hon'ble Apex Court in the case of *Devinder Singh Vs. Municipal Council Sanaur* (AIR 2011 SC 2532), while interpreting provisions of Section 2(s) of the Act which deals with the definition of 'Workman', held as under:

'The source of employment, the method of recruitment, the terms and conditions of employment/contract of service, the quantum of wages/pay and the mode of payment are not at all relevant for deciding whether or not a person is a workman within the meaning of [Section 2\(s\)](#) of the Act.

The definition of workman also does not make any distinction between full time and part time employee or a person appointed on contract basis. There is nothing in the plain language of [Section 2\(s\)](#) from which it can be inferred that only a person employed on regular basis or a person employed for doing whole time job is a workman and the one employed on temporary, part time or contract basis on fixed wages or as a casual employee or for doing duty for fixed hours is not a workman.

14. Shri Bhardwaj appearing on behalf of the management strongly urged that since there was no relationship of employer and employee after 03.11.2009 between the claimant and the management inasmuch as work of housekeeping was outsourced to M/s V.K. Engineering and Contractors, as such, there is no question of issuance of one month notice or pay in lieu thereof in terms of section 25-F of the Act by the management. Attention of the Tribunal was also invited by Shri Bhardwaj to the documents Ex.MW1/1 to Ex.MW1/6 which shows that the claimant was working on the rolls of M/s V.K. Engineers and Contractors. In the present case, there was no evidence adduced by the management that the management was duly registered in terms of Section 7 of the Contract Labour (Regulation & Abolition) Act, 1970 (in short CLRA Act) with the appropriate Government. It is normally required that every principal employer is to apply for registration with necessary documents and it is only thereafter when necessary conditions are fulfilled that certificate of registration is issued by the competent authority. Similarly, Section 12 of the CLRA Act also requires that every contractor who is outsourced any work through contract labour is to obtain Licence in terms provisions of the CLRA Act. The said licence shall contain all the necessary conditions, including the work

outsourced, fixation of wages, and other amenities in respect of which he is engaging contract labour. Since no evidence has been adduced by the management regarding issuance of licence in terms of Section 12 of the CLRA Act nor there is mention in the affidavit Ex.MW1/A and EX.MW2/A, the only presumption which can be drawn is that neither the management was registered under Section 7 of the CLRA Act nor the contractor M/s V.K. Engineers and Contractors has obtained necessary licence in terms of Section 12 of the CLRA Act.

15. It is also necessary to mention here that even in this case where work has been given on contract basis validly under provisions of the CLRA Act, it is the duty of the principal employer to ensure payment of wages and principal employer is also required to ensure compliance of various safeguards meant for welfare of the workmen are adhered to by such contractors to whom work has been allotted. Contention of the management that the claimant left the work of her own does not inspire confidence as a workman who is in need of a job to make both ends meet would not normally abandon the job without any rhyme or reason. Moreover, work which the claimant is performing is not of seasonal or casual in nature. Rather, the same is regular and perennial in nature. There are various authorities that in such circumstances when the work is of regular nature, normally managements should not outsource it to private contractors.

16. During the course of arguments, this Tribunal tried to persuade the management to give employment to the claimant. However, she was being offered employment as casual labour through contractor, which was not acceptable to her. Admittedly, the claimant was working in the premises of Meteorological Department at all material times and the action of the management or even that of the contractor in dispensing her services with effect from 10.03.2010 is clearly in violation of section 25-F of the Act as no one month's notice was given to her before retrenching her nor salary in lieu of one month notice was given by the management before dispensing with her services.

17. It is now well settled position in law that provisions of Section 25-F are mandatory and non compliance of the same would result in the action of the management to be void or non est in the eyes of law, particularly when no retrenchment compensation was offered or given to the claimant.

18. The other residual question is as to what relief the claimant is entitled to? It was seriously urged on behalf of the claimant that she is unemployed after her termination. There is no evidence on record to suggest that the claimant was gainfully employed after his termination. More so, in the absence of any evidence adduced by the management to this effect, version of the claimant is to be accepted.

19. Regarding claim of back wages, it has been made amply clear in *Deepali Gundu Surwase vs. Kranti Junior Adyapak Mahavidyalaya (D.Ed) and others* (2013 Lab.I.C. 4249), as under:

‘Ordinarily, an employee or workman whose services are terminated and who is desirous of getting back wages is required to either plead or at least make a statement before the adjudicating authority or the Court of first instance that he/she was not gainfully employed or was employed on lesser wages. If the employer wants to avoid payment of full back wages, then it has to plead and also lead cogent evidence to prove that the employee/workman was gainfully employed and was getting wages equal to the wages he/she was drawing prior to the termination of service. This is so because it is settled law that the burden of proof of the existence of a particular fact lies on the person who makes a positive averments about its existence. It is always easier to prove a positive fact than to prove a negative fact. Therefore, once the employee shows that he was not employed, the onus lies on the employer to specifically plead and prove that the employee was gainfully employed and was getting the same or substantially similar emoluments.’

20. Yet again Hon'ble Supreme Court in *Raj Kumar Dixit Vs. Vijay Kumar Gauri Shankar* (2015) 9 SCC 345 set aside the judgement of Hon'ble High Court wherein back wages were reduced to 50% and held that High Court has exceeded its jurisdiction in setting aside the award passed by the Labour Court in awarding reinstatement to the workman to his post. It was observed that there are a number of factors which are to be taken into consideration by the Tribunal while considering the question of grant of back wages, including reinstatement. Relevant factors are, (i) whether the workman has approached the Tribunal at the earliest or there was delay in seeking reference, (ii) nature of the post, (iii) length of service as well as availability of vacancy when the question of reinstatement is being decided. Since facts of no two cases are similar, as such, the Tribunal is required to keep in mind the above circumstances before ordering grant of back wages. Legal position which emerges from the above two rulings is that where there is violation of provisions of law by the management in passing order of termination or retrenchment and evidence on record is clear that the workman was not gainfully employed or was not having any other source of income to make both ends meet during the period when the matter was being considered by the Tribunal, in such circumstances, Tribunal can always grant full back wages alongwith reinstatement.

21. In view of the ratio of law enunciated in the above rulings, when action of the management is purely illegal and is not in accordance with law. It is clear from the pleadings as well as evidence on record that the claimant was not gainfully employed after her termination; in such circumstances, this Tribunal is of the opinion that action of the management is per se illegal and it is held that the action of the management of Director General of Meteorology in

terminating the services of Smt.Uma Devi, the claimant herein, daily rated workman with effect from 10.03.2010 is held to be illegal and not justified under the law. As sequel to my above discussion, it is held that the claimant herein is entitled to be reinstated in service with full back wages. An award is, accordingly, passed. Let this award be sent to the appropriate Government, as required under Section 17 of the Industrial Disputes Act, 1947, for publication.

AWARD

This is a case filed directly under Section 2-A of Industrial Disputes, Act, 1947 (in short the Act) by the claimant with the averment that management No. 2 has engaged the claimant on 18.05.2009. He has been performing his duty since then honestly and diligently on salary of Rs.13,500/- p.m.

2. It is a case of claimant that on 25.07.2010 at 12.30 p.m. when he was on duty on sewerage pump and he was caught by the goondas. There was no light and he was assaulted by the goondas resulting in injury on his body. Despite this, claimant remained on duty and he was not paid wages by the management for the month of July & August, 2010. The services of the claimant was ultimately terminated on 15.09.2010 by the management. The claimant also informed the management vide letter dated 30.10.2010 regarding his illegal termination and non payment of retiral benefits. The claimant has also approached Assistant Labour Commissioner (Central) and management also appeared before A.L.C. However, matter could not be settled in view of the audacious attitude of the management resulting in failure of conciliation report on 15.04.2015.

3. Now, the claimant has directly filed the present claim before this Tribunal under Section 2-A of the Act challenging his illegal termination and has claimed reinstatement with the back wages. The claim was contested by the management who was filed written statement to the claim taking preliminary objections of maintainability, etc. The management has denied most of the material averments made in the various paras. However, it is admitted that the last contract was awarded to Respondent no. 1 for the period of 12 months w.e.f. 31.12.2009 and thereafter the management no. 1 has no work of gunman at the said site. The claimant was engaged from 01.01.2010 to 25.07.2010 for few days of daily basis and prior to this he was not working on the said site.

4. Against this factual background, this Tribunal vide order dated October 20, 2016 framed following issues on the basis of pleadings of the parties:

- (i) Whether claim petition filed by the claimant is not legally maintainable in view of the various preliminary objections?
- (ii) Whether termination of the claimant on 15.09.2010 by the management is illegal and unjustified, as alleged?
- (iii) Relief.

5. Thereafter, an application for amendment of written statement was filed by the management and it was made clear by this Tribunal that there is no need to amend written statement as question of limitation is covered by issue No.1 which deals with the maintainability of the claim petition.

6. Both the AR for the respective parties agreed that before proceedings with matter on merits it is necessary to deal with the question of maintainability of the present petition which appears to be time barred. Thereafter, several opportunities were given to AR for the claim so as to satisfy this Tribunal as to how the claim petition was legally maintainable after 03 years of the date of termination of the workman in view of embargo contained in sub-section-3 of Section 2-A which reads as under :

“Dismissal, etc. of an individual workman to be deemed to be an industrial dispute -

- (1) Where any employer discharges, dismisses, retrenches or otherwise terminates the services of an individual workman, any dispute or difference between that workman and his employer connected with, or arising out of, such discharge, dismissal, retrenchment or termination shall be deemed to be an industrial dispute notwithstanding that no other workman nor any union of workman is a party to the dispute.
- (2) Notwithstanding anything contained in section 10, any such workman as is specified in sub-section (1) may, make an application direct to the Labour or Tribunal for adjudication of the dispute referred to therein after the expiry of forty-five days from the date he has made the application to the conciliation Officer of the appropriate Government for conciliation of the dispute, and I receipt of such application the Labour Court or Tribunal shall have powers and jurisdiction to adjudicate upon the dispute, as if it were a dispute referred to it by the appropriate Government in accordance with the provisions of this Act and all the provisions of this Act shall apply in relation to such adjudication as they apply in relation to an industrial dispute referred to it by the appropriate Government.

- (3) The application referred to in sub-section (2) shall be made to the Labour Court or Tribunal before the expiry of three years from the date of discharge, dismissal, retrenchment or otherwise termination of service as specified in sub-section (1).

7. It is clear from bare perusal of the above provision that in case of discharge, dismissal, retrenchment or otherwise termination of the service of an individual workman, the workman has to file the claim within 03 years from the date of retrenchment, etc.

8. It is apposite to mention here that provisions of the limitation Act are not applicable to proceedings under the Industrial Disputes Act which is special enactment and a self-contained code. I am fortified, in this regard by the ratio of the case in “Shri Ajaib Singh Vs. The Sirhind Co-operative Marketing Cum-Processing Service Society Limited and Anr. - AIR 1999SC1351”

In the said case the services of the workman was terminated by the management without compliance of mandatory provisions of the Industrial Disputes Act. However, workman did not initiate any action by approaching the Tribunal or Labour Court for 07 years. It was against this background the question of applicability of provisions of the Limitation Act was considered by the Court. There are also observation in the above case that when a reference was made by the appropriate Government under Section 10 of the Act of the Industrial Disputes Act in that eventuality, the question delay and laches is not material and, Tribunal or Court, is required to adjudicate the case on merits and such a reference can't be dismissed on the grounds of the limitation as provisions of Limitation Act are not applicable in such proceedings under the Act. But this was not a case under Section 2-A of the Act, wherein a special right is given to individual workman to file case within 03 years from termination.

9. Yet, in another case i.e. Smt. Swaroop Adhikari Vs. State of West Bengal 2014 LLR 498 (CAL) it was held that under no circumstances the Industrial Tribunal/Labour Court while dealing with the case under Section 2-A of the Act can extend limitation or entertain a case after the expiry of three years from the date of retrenchment or termination. This is a special right to an individual workman under Section 2-A to approach the Court directly, in case of retrenchment or termination. In the present case, it is clear from statement of claim that service of workman was terminated by management on 15.09.2010 whereas he filed present case on 12.03.2015 i.e. after the expiry of 03 years from termination. Resultantly, the claim filed by the claimant is held not to be legally maintainable as same is timebarred.

10. As a sequel to my aforesaid discussion, it is held that claim petition filed by the claimant is not maintainable as the same is time barred, being filed by after 03 years from the date of termination. Let this award be sent to the appropriate Government, as required under Section 17 of the Industrial Disputes Act, 1947, for publication.

Accordingly claim is dismissed.

AWARD

Present dispute has been raised by Ms.Sunita Sharma (in short the claimant) under the provisions of sub-section (2) of section 2-A of the Industrial Disputes Act, 1947 (in short the Act). A period of 45 days stood expired from the date of making her application before the Conciliation Officer. Sub-section (2) of section 2-A of the Act empowers her to file a dispute before this Tribunal, without being referred by the appropriate Government. Her contention stands substantiated by the provisions of sub-section (2) of section 2-A of the Act. Claimant has been given a right by the Act to approach this Tribunal in case of discharge, dismissal, retrenchment or otherwise termination of her service, without a dispute being referred by the appropriate Government under sub-section (1) of section 10 of the Act. Since dispute was within the period of limitation, as enacted by sub section (3), and answered requirements of sub-section (2) of section 2-A of the Act, it was registered as an industrial dispute, even without being referred for adjudication by the appropriate Government, under section 10(1) (d) of the Act.

2. Claim statement was filed by the claimant herein with the averment that she was engaged on 01.04.2014 by Medical Superintendent, Govind Ballabh Pant Hospital (in short the Hospital) through M/s Sukhvander Singh Rathee Security Agency (Regd.) (in short the contractor) as Lady Security Guard on a monthly salary of Rs.12,168.00. The hospital was exercising supervisory control over her as she was performing duties in the premises of the management. The management was not having a valid licence under section 7, 10 and 12 of the Contract Labour (Regulation and Abolition) Act, 1970 to employ contract labour. The work she was performing is of regular and perennial in nature and engagement of contract labour under Section 10 of the CLRA Act is prohibited under the law. Moreover, the contractor was not having licence in terms of provisions of Section 12 of the CLRA Act. The agreement between the management and the contractor is sham and camouflage and as such the claimant shall be considered in the employment of the Hospital.

3. It is the case of the claimant that she was deprived of various facilities, such as overtime allowance, dearness allowance, identity card, wage slip, casual leave, EPF etc. The amount which was being deducted as provident fund every month, in fact, was never paid to her or credited in her account nor was she paid salary from August 2015 to December 2015. Claimant was also not made payment for her overtime work for 8 days during this period. Resultantly, her services were ultimately terminated without issuance of show cause notice on 01.01.2014 as she was refused to join duties. Claimant also took up the matter and filed complaint before the Labour Commissioner wherein she has alleged the above facts. Claimant has raised demand through the union vide letter dated 01.01.2004 but the management has not taken any action upon the same. Management has also violated provisions of section 25-F of the Act. Management has also not filed any reply before the Assistant Labour Commissioner, as a result of which proceedings ended into failure. Finally, claimant has prayed that her termination from 01.01.2016 be declared illegal and she be reinstated with full back wages.

4. Notice of the claim was served on managements and despite service of notice none appeared on behalf of the management as well as the contractors since inception. Resultantly, the management as well as the contractors were proceeded ex-parte on 28.04.2017.

5. Claimant, in support of her stand taken in the statement of claim, examined herself as WW1 and tendered in evidence documents Ex.WW1/1 to Ex.WW1/9.

6. I have heard Shri Kailash Kumar, A/R for the claimant.

7. It is clear from the averments contained in affidavit Ex.WW1/A tendered by the claimant that the same is on similar lines as the statement of claim as she has reiterated all the material facts in the above affidavit. Since both the managements were proceeded ex-parte, there is no cross examination of the claimant by any of the managements. Claimant has also tendered copy of demand notice Ex.WW1/1 served upon the management, wherein she has referred to all the material facts. Claimant has also written letter to the Chief Manager of Delhi, copy of which is Ex.WW1/2 wherein she has raised all her grievances being faced by her. Claim filed by the claimant before the Assistant Labour Commissioner is Ex.WW1/4 and is on the same lines as the claim filed before this Tribunal.

8. During the course of arguments, learned A/R for the claimant invited attention of the Tribunal to the identity card Ex.WW1/5 which shows that the same was issued by M/s Sukhvander Singh Rathee Security Agency(Regd), contractor, and the date of birth of the claimant in the said identity card is 08.07.1971 and her designation is Ladies Security Guard. This identity card also shows that the claimant was engaged as Security Guard through the contractor with the Hospital. Ex.WW1/7 is the UAN of PPF of the claimant.

9. In the case on hand, there is no evidence adduced by the management to rebut the evidence of the claimant. Law is fairly settled that if material fact which is alleged by a party in its pleadings is not controverted by the opposite party nor any evidence is adduced by such a party in contravention of the facts alleged in the statement of claim, in that eventuality, court can always rely upon pleadings as well as statement made by the claimant in support of the same. Moreover, the identity card of the claimant suggests that she was engaged as security guard by M/s Sukhvander Singh Rathee Security Agency, which clearly supports the case of the claimant.

10. Admittedly, in the case on hand, there is nothing on record to suggest as to why services of the claimant was terminated and that she was refused not to come on duty on 01.01.2016. Now, law is fairly settled by the various pronouncements of the Hon'ble Apex Court as well as Hon'ble High Courts that services of the claimant even if it has been deployed on daily wages or contract basis, cannot be terminated if he had worked for 240 days in the preceding 12 months and services of such workmen cannot be terminated or dispensed with unless one month notice in writing giving reasons for retrenchment is made or the workman has been paid one month salary in lieu of such notice, as required under Section 25-F of the Act. Equally settled is the position in law that compliance of provisions of Section 25-F is mandatory and non-compliance of the same would result in rendering order of termination/retrenchment void or non-est under the law. Since in the case on hand, management has neither taken care to appear before this court so as to rebut the case of the claimant nor there is any evidence on record that the claimant has voluntarily left her services, as such, this Tribunal is of the view that there is clear-cut violation of section 25-F of the Act and termination of the claimant with effect from 01.01.2014 is illegal and void.

11. As a sequel to my above discussion, it is held that termination of the claimant herein is wrong and illegal. Since Govind Ballab Pant Hospital is the principal employer and they have not filed any contract agreement nor there is any evidence on record to show whether M/s Sukhvander Singh Rathee Security Agency(Regd.), the contractor, was having valid licence in terms of Section 12 of the CLRA Act, as such, claimant shall be deemed to be in the employment of Govind Ballab Pant Hospital, who is otherwise the principal employer for whose benefit the claimant was working. In spite of various opportunities afforded to the managements, evidence remained un-rebutted and there is no reason to disbelieve the version of the claimant in the absence of any evidence from the management. In view of this, it is held that the claimant is entitled to be reinstated and her termination is held to be illegal and unjust under the law and as a corollary, Ms.Sunita Sharma, the claimant herein, is entitled for reinstatement with full back wages. An award is accordingly passed. Let this award be sent to the appropriate Government, as required under Section 17 of the Industrial Disputes Act, 1947, for publication.

AWARD

The Government of India/Ministry of Labour, New Delhi by reference adjudication Order No. L-40012/88/2009-IR(DU) dated 14.12.2009 referred the dispute for adjudication to the Industrial Tribunal, Ahmedabad (Gujarat) in respect of the matter specified in the Schedule:

SCHEDULE

“Whether the action of the management of Reliance Communication Ltd./Reliance Integrated Services Pvt. Ltd., in terminating the services of their workman Shri Harish Kumar Rathod w.e.f. 01.06.2009 is legal and justified? If not, what relief the workman is entitled to?”

1. The reference dates back to 14.12.2009. The second party workman submitted the statement of claim Ex. 5 on 22.03.2010 alleging that he is duly qualified and experienced serviceman and was appointed on 01.09.2005 at Surat vide EC No. 35020147 after rigorous process of interview. Since then he had been working continuously since the date of appointment that is 01.09.2005 till 01.06.2009 when he was abruptly terminated from the service without giving any notice. He has also been subjected to examination of performance management system every six months after the date of appointment and was also subjected to training. He qualified all these examinations and training. It is noteworthy that the first party Reliance Communication Ltd. also issued him a certificate of appreciation of service. For all these

years of his service, he was appreciated as very good or commendable services but it is unfortunate that termination order was issued narrating the service as unsatisfactory. Thus he has prayed for reinstatement of service.

2. It is further alleged that the action of termination of services of this workman is illegal, inoperative, bad in law on some of the grounds and reasons, as under:

- a. It is mandatory and is a condition precedent for termination/retranchment of workman that Section 25 (F) of Industrial Dispute Act is followed. In this case Section 25 (F) of Industrial Dispute Act is completely given a go by. Thus termination of workman is invalid and inoperative in the eyes of law workman continues to be in service, with all the consequential benefits.
- b. Section 25 (F) of Industrial Dispute Act is also grossly violated. Workman was terminated by pick and choose manner without going by “last come first go” principle. The workman submits that numbers of juniors to him are continued in service.
- c. The reason of unsatisfactory performance given in termination order is totally false and fabricated. There is no material whatsoever to classify as unsatisfactory performance and to terminate the services in such capricious manner by “hire and fire” systems.
- d. The workman submits that numbers of new persons are appointed for the same work which the workman was doing before termination of this services. Thus Section 25 (F) of Industrial Dispute Act is violated.
- e. No seniority list was published or informed to workman, which is necessary and mandatory under the provisions of the Industrial Dispute Act.
- f. Workman has been terminated from services on the same day of the termination order i.e. service is terminated also contrary and in violation of the terms of appointment. Workman has not been given any notice or notice pay of any nature at the time of the termination or afterwards or till this time.

3. Thus in the light of the aforesaid averments, the workman has prayed for reinstatement with continuity of service and back wages.

4. The first party/opposite party Reliance Communication Ltd. was issued notice and was represented by advocate Shri R.K. Shah and Shri R.K. Shah submitted the written statement Ex. 12 on 21.10.2011.

5. The second party workman submitted his affidavit cum examination in chief Ex. 10 on 16.07.2010 wherein the workman reiterated the averments made in the statement of claim Ex. 5. But thereafter even filing the vakalatpatra Ex. 11 and written statement Ex. 12 on 21.10.2011 by the advocate Shri Rajiv K. Shah and also seeking adjournment on 17.10.2013 for cross-examination on payment of Rs. 100/- as cost, Shri Rajiv K. Shah advocate never appeared to cross-examine the workman on Ex. 10 on all the dates thereafter.

6. Thus on the basis of the un-rebutted affidavit Ex. 10, it can be inferred that the service of the second party workman were illegally terminated without following the due process of law.

7. Thus on the basis of the aforesaid discussions, the reference is decided ex-parte on the basis of the un-rebutted affidavit of the workman with the observation as under: the action of the management of Reliance Communication Ltd./Reliance Integrated Services Pvt. Ltd., in terminating the services of their workman Shri Harish Kumar Rathod w.e.f. 01.06.2009 is illegal and unjustified.”

8. The Reliance Communication Ltd./Reliance Integrated Services Pvt. Ltd., is directed to reinstate the workman with immediate effect with continuity of service and back wages of lump-sum amount of Rs. 100000/-.

9. The award is passed accordingly.

AWARD

The Government of India/Ministry of Labour, New Delhi by reference adjudication Order No. L-40012/89/2009-IR(DU) dated 14.12.2009 referred the dispute for adjudication to the Industrial Tribunal, Ahmedabad (Gujarat) in respect of the matter specified in the Schedule:

SCHEDULE

“Whether the action of the management of Reliance Communication Ltd./Reliance Integrated Services Pvt. Ltd., in terminating the services of their workman Shri Mukesh Kumar N. Jani w.e.f. 01.06.2009 is legal and justified? If not, what relief the workman is entitled to?”

1. The reference dates back to 14.12.2009. The second party workman submitted the statement of claim Ex. 4 on 22.03.2010 alleging that he is duly qualified and experienced serviceman and was appointed on 18.01.2005 at Ahmedabad vide EC No. 35020283 after rigorous process of interview. Since then he had been working continuously since the date of appointment that is 18.01.2005 till 01.06.2009 when he was abruptly terminated from the service without giving any notice. He has also been subjected to examination of performance management system every six months after the date of appointment and was also subjected to training. He qualified all these examinations and training. It is noteworthy that the first party Reliance Communication Ltd. also issued him a certificate of appreciation of service. For all these years of his service, he was appreciated as very good or commendable services but it is

unfortunate that termination order was issued narrating the service as unsatisfactory. Thus he has prayed for reinstatement of service.

2. It is further alleged that the action of termination of services of this workman is illegal, inoperative, bad in law on some of the grounds and reasons, as under:

- a. It is mandatory and is a condition precedent for termination/retranchment of workman that Section 25 (F) of Industrial Dispute Act is followed. In this case Section 25 (F) of Industrial Dispute Act is completely given a go by. Thus termination of workman is invalid and inoperative in the eyes of law workman continues to be in service, with all the consequential benefits.
- b. Section 25 (F) of Industrial Dispute Act is also grossly violated. Workman was terminated by pick and choose manner without going by “last come first go” principle. The workman submits that numbers of juniors to him are continued in service.
- c. The reason of unsatisfactory performance given in termination order is totally false and fabricated. There is no material whatsoever to classify as unsatisfactory performance and to terminate the services in such capricious manner by “hire and fire” systems.
- d. The workman submits that numbers of new persons are appointed for the same work which the workman was doing before termination of this services. Thus Section 25 (F) of Industrial Dispute Act is violated.
- e. No seniority list was published or informed to workman, which is necessary and mandatory under the provisions of the Industrial Dispute Act.
- f. Workman has been terminated from services on the same day of the termination order i.e. service is terminated also contrary and in violation of the terms of appointment. Workman has not been given any notice or notice pay of any nature at the time of the termination or afterwards or till this time.

3. Thus in the light of the aforesaid averments, the workman has prayed for reinstatement with continuity of service and back wages.

4. The first party/opposite party Reliance Communication Ltd. was issued notice and was represented by advocate Shri R.K. Shah and Shri R.K. Shah submitted the written statement Ex. 11 on 21.10.2011.

5. The second party workman submitted his affidavit cum examination in chief Ex. 9 on 16.07.2010 wherein the workman reiterated the averments made in the statement of claim Ex. 4. But thereafter even filing the vakalatpatra Ex. 10 and written statement Ex. 11 on 21.10.2011 by the advocate Shri Rajiv K. Shah and also seeking adjournment Ex. 13 on 17.10.2013 for cross-examination, Shri Rajiv K. Shah advocate never appeared to cross-examine the workman on Ex. 9 on all the dates thereafter.

6. Thus on the basis of the unrebutted affidavit Ex. 9, it can be inferred that the service of the second party workman were illegally terminated without following the due process of law.

7. Thus on the basis of the aforesaid discussions, the reference is decided ex-parte on the basis of the unrebutted affidavit of the workman with the observation as under: the action of the management of Reliance Communication Ltd./Reliance Integrated Services Pvt. Ltd., in terminating the services of their workman Shri Mukesh Kumar N. Jani w.e.f. 01.06.2009 is illegal and unjustified.”

8. The Reliance Communication Ltd./Reliance Integrated Services Pvt. Ltd., is directed to reinstate the workman with immediate effect with continuity of service and back wages of lump-sum amount of Rs. 100000/-.

9. The award is passed accordingly.

SCHEDULE

“Whether the action of the management of Air Force School, Baroda in terminating the services of their workman Shri Prakashbhai Kantilal w.e.f. 16.01.2007 is legal and justified? If not, to what relief the workman is entitled to?”

1. The reference dates back to 13.08.2007. The second party submitted the statement of claim Ex. 9 on 29.01.2009 in Industrial Tribunal Central, Gujarat. AWARD

This award arises out of a reference made by the Government of India, Ministry of Labour vide its Letter No. L-26011/14/2003-IR(M), dated 27.02.2004 in exercising its authority under clause (d) of sub-section (1) and sub-section 2(A) of Section 10 of the Industrial Disputes Act (hereinafter referred to as “the Act”) in the event of a dispute between the management of Barsua Iron Mines, RMD, SAIL and the Union and the schedule of reference runs as follows:-

“Whether the demand of the Rourkela Shramik Sangh, Barsua Branch, Po. Tensa, Dist. Sundargarh, for payment of full wages for suspension period i.e. from 13.1.1998 to 11.2.1998 of Shri C.M. Nayak, Sr. Technician, Barsua Iron Mines of RMD, SAIL and promotion from S-7 to S-8 which was due to get from 31.12.2001 is justified? If not, what relief the workman is entitled to?

2. Briefly stated the case of the 2nd party-Union as emerges from its statement of claim is that the disputant workman one Shri C.M. Nayak (herein-after referred to as the disputant-workman) while being in S-7 scale of pay was placed under suspension with effect from 13.1.1998 to 11.2.1998 followed by a charge-sheet alleging that on 12.1.1998 during “C” shift he did not report to his duty and sat in the rest room situated adjoining to his shift office and exhibited insubordination or disobedience to his lawful superior authority and extended disorderly and indecent behaviour to them. A departmental enquiry was held against him and being found guilty for willful insubordination or disobedience, negligence of duty and exhibiting disorderly and indecent behaviour he was inflicted with minor penalties like suspension without wages for a period not exceeding four days. It is the claim of the 2nd party-Union that though the alleged incident of misconduct was taken place on 12.1.1998, the departmental enquiry was commenced on 19.3.1999 and it was completed on 16.5.2001. The punishment was awarded on 19.4.2003. The enquiry was not conducted in a transparent manner with conformity to the principles of natural justice and the finding of the enquiry committee was perverse and therefore, the punishment imposed on the disputant-workman was illegal and unwarranted. The promotion of the disputant-workman was due on 31.12.2001 from S-7 to S-8 scale under Non-executive promotion

policy of the 1st Party-Management. Due to such in-ordinate delay in completing the departmental proceeding the disputant-workman could not be promoted in time and his promotion was effected on 21.10.2003 which could have been effected much earlier provided the departmental enquiry was completed in a reasonable time. It is alleged by the Union that the Management deliberately and willfully delayed the completion of departmental enquiry in order to deprive the disputant-workman to get his promotion in time. Hence, prayer has been made for providing full wages to the disputant-workman during the period of his suspension i.e. from 13.1.1998 to 11.2.1998 and his promotion from S-7 to S-8 scale shall be given effect from 31.12.2001.

3. The 1st Party-Management has resisted the claim of the 2nd party-Union taking a stand that the allegation alleged by the 2nd party-Union in its statement of claim is not correct. The departmental proceeding was initiated against the disputant-workman for his misconduct and he was extended all opportunities to defend himself in the said enquiry. Having been found guilty of misconduct for his willful insubordination or disobedience, negligence of duty and for exhibiting disorder and indecent behaviour he was awarded minor punishment as stated earlier. The departmental enquiry was completed as expeditiously as possible and there was no fault on the part of the Management to delay the completion of the departmental enquiry. There was no malafide intention on the part of the Management to deprive the disputant-workman from getting his promotion in time. The disputant-workman was given promotion from S-7 to S-8 Scale on 23.10.2003 six months after his punishment in the departmental proceeding as the Certified Standing Order of the Management provides that in case of minor punishment in a departmental proceeding, the promotion of the employee/workman would be delayed for a period of six months from the date of the punishment in the departmental proceeding. The disputant-workman is not entitled to full wages for the period of his suspension because in the departmental proceeding the same was to be treated as such. The fairness of the departmental proceeding and its finding as well as the quantum of punishment having not been challenged as provided under the I.D. Act, there is no scope for the Tribunal to modify the punishment inflicted on the disputant-workman and extend any relief as put-forth by the 2nd party-Union.

4. On the aforesaid pleadings of the parties issues as shown below have been settled for just and proper adjudication of the dispute.

ISSUES

1. Whether the demand of the Rourkela Shramik Sangh, Barsua branch, Po. Tensa, Dist. Sundargarh, Barsua Branch, Po. Tena, Dist. Sundargarh for payment of full wages for suspension period i.e. from 13.1.1998 to 11.2.1998 of Shri C.M. Nayak, Sr. Technician, Barsua Iron Mines of RMD, SAIL and promotion from S-7 to S-8 which was due to get from 31.12.2001 is justified?
2. If not, to what the workman is entitled?
5. The 1st Party-Management has only examined its Jr. Manager, (P & A) as M.W.-1 and filed documents like copy of the Memorandum of Understanding dated 16.12.1997, copy of the circular dated 2.1.1998, copy of the suspension order dated 13.1.1998, copy of the charge-sheet dated 17.1.1998, copy of the reply to the charge-sheet given by the workman, copy of the order of withdrawn of suspension dated 11.2.1998, copy of the order dated 13.2.1998 constituting enquiry committee, copy of the proceeding of the enquiry committee, copy of the findings of the enquiry officer, copy of the order of punishment dated 19.4.2003, copy of the circular dated 22.5.1974, copy of the promotion order dated 21.10.2003 and copy of the standing order of the Management which are marked from Ext.-A to N.
6. For the sake of convenience all issues are taken into consideration simultaneously.

Mere perusal of the schedule of the reference made by the Government of India, Ministry of Labour reveals that the 2nd party-Union has espoused a dispute on the action of the Management denying full wages to the 2nd party-workman during his suspension period i.e. 13.1.1998 to 11.2.1998 and denying to effect the promotion of the disputant-workman on the date from which he is entitled to get his promotion i.e. 31.12.2001. The reference neither discloses nor impliedly suggests that a dispute was raised by the 2nd party-Union challenging the fairness of the departmental enquiry or punishment awarded to the delinquent workman in the said departmental proceeding. The 2nd party-Union or the disputant-workman has not either insisted the Tribunal or the labour machinery for modification of the schedule of the reference to raise a dispute in the present reference on the fairness of the departmental enquiry as well as the findings of the enquiry and punishment given to the disputant-workman in the said departmental enquiry. Be that as it may, the Tribunal has no scope to examine whether the departmental enquiry initiated against the workman was conducted in a fair and proper manner with conformity to the principles of natural justice and provisions of the Standing Order of the 1st Party-Management. Law is well settled that Industrial Tribunal/Labour Court constituted under the Act is a creature of that statute. It acquires jurisdiction on the basis of reference made to it. Hence the Tribunal is to confine itself within the scope of the subject matter of the reference and cannot travel beyond the same. Further no issue has also been settled to examine the fairness of the departmental enquiry. Had there been any intention on the part of the labour machinery that the Tribunal to decide the fairness of the departmental enquiry initiated against the workman, the same could have been reflected in the terms and conditions of the reference i.e. the schedule of the reference. Similarly, the

2nd party-Union or the disputant workman could have insisted to settle an issue in that regard for its determination and adjudication by the Tribunal. The parties have also not adduced any evidence in that regard providing a scope to the Tribunal to examine and opine whether the departmental enquiry held against the disputant-workman was conducted fairly and properly and punishment given to the workman was unwarranted. In the above back-drops and keeping in view the pleadings and evidence of the parties, it can be safely said that the disputant-workman was duly punished in a departmental enquiry for his misconduct. It is not seriously also disputed that the penalty inflicted on the disputant-workman was minor in nature as contemplated in clause-30 of the Standing Orders of the Management. Ext.-A which is the copy of the punishment order in the departmental proceeding clearly reveals that the disputant-workman was inflicted a punishment of four days suspension without any wages and his period of suspension from 13.1.1998 to 11.2.1998 is to be treated as such without any prejudice to his past service for the period. The said punishment having yet to be dropped or withdrawn by any lawful authority appears to be a final conclusion. Further, the oral evidence of the Management as well as the Xerox copy of the circular marked as Ext.-L further reveals that if a non-executive employee is awarded a minor punishment as a disciplinary measure he is debarred from promotion for six months with effect from the date of the award of such punishment. Undisputedly, the disputant-workman was awarded the minor punishment with effect from 19.4.2003 for which his next promotion from scale of S-7 to S-8 was given effect from 21.10.2003.

7. Coming to the question of any illegality committed by the Management in denying full wages to the disputant workman for the period of his suspension and denying him promotion on the date on which it was due to the disputant-workman it can be stated here that no wrong or illegality seems to have been committed by the Management for withholding the full wages to the workman for the period from 13.1.1998 to 11.2.1998. The full wage was with-held on account of the workman being found guilty and being penalized as such. Hence, the action of the Management for not providing full wages to the workman for the period from 13.1.1998 to 11.2.1998 cannot be said illegal and unjustified. So far, the promotion of the disputant-workman is concerned it is emerging from the given situation that the alleged misconduct was committed on 12.1.1998 whereas the departmental proceeding was commenced on 19.3.1999. The documents filed by the Management more particularly documents relating to the departmental proceeding against the disputant-workman reveal that the enquiry committee was constituted on 23.2.1998 and the committee held its first sitting on 19.3.1999 one year after its constitution and completed the enquiry on 29.5.2001 when the committee submitted its finding to the disciplinary authority. Though the report was submitted on 29.5.2001 the disciplinary authority awarded the punishment on 9.4.2003 as the same is apparent from Ext.-K. It is surprising as to why the disciplinary authority took two years to inflict the punishment though it is required that the disciplinary authority shall take decision as expeditiously as possible after submission of the enquiry report in the departmental proceeding. The promotion of the workman was due from 31.12.2001. Had the minor punishment been inflicted soon after the submission of the enquiry report on 29.5.2001, the disputant-workman could have been promoted to higher grade six months after passing of such award of punishment. It cannot also be over-sighted that the enquiry committee took two years to complete its enquiry proceeding and it also took one year to commence the enquiry proceeding. As such, there was also inordinate delay in completing the departmental enquiry. No reasonable explanation is either coming forth from the pleadings and evidence of the Management to hold that no laches were committed by the Management for delaying the disposal of the departmental enquiry. Though, the Standing Order of the Management provides no time limit for completion of such departmental enquiry against a workman or person of executive cadre, the settled principles require that such departmental proceeding shall be completed and disposed of as expeditiously as possible within a reasonable time. There is nothing on the record to suggest that there was any fault on the part of the disputant-workman to delay the completion of the enquiry. The alleged misconduct was taken place on 12.1.1998 whereas the promotion of the disputant-workman was due on 31.12.2001. Thus, it can be said that the Management had sufficient time to complete its departmental enquiry against the workman much before his due date of promotion. In absence of sufficient and coherent reason for delaying the completion of the enquiry, the allegation of the 2nd party-Union as well as the workman that the departmental proceeding was willfully and deliberately delayed to deprive him from promotion in time cannot be taken lightly. For the reasons discussed above I am of the view that had the departmental enquiry was completed at least before the due date of promotion of the disputant-workman, he could have been promoted from S-7 to S-8 cadre just six months after the due date of his promotion i.e. on 01.07.2002. Therefore, the action of the Management giving promotion to the disputant-workman with effect from 21.10.2003 is not legally justified.

8. In view of my discussions and findings above, the disputant workman is entitled to get his promotion from S-7 to S-8 with effect from 01.07.2002 and his pay and seniority in the promotional scale shall be fixed as per the rule with effect from that date.

9. The reference is answered accordingly.

AWARD PART - II

1. This is reference made by the Central Government in exercise of powers under clause (d) of sub-section (1) and sub-section (2A) of Section 10 of the Industrial Disputes Act, 1947 vide Government of India, Ministry of Labour & Employment, New Delhi vide its order No. L-30011/72/2001 – IR (M) dated 09.10.2001. The terms of reference given in the schedule are as follows :

“Whether the action of the Management of Bombay Industrial Security (I) Ltd., in removing Sh. Jagdish K. Gupta, Ex-Security Guard from the employment w.e.f. 22.9.2000 is legal and justified ? If not, what relief the workman concerned is entitled to?”

2. Statement of Claim is filed by the Secretary of the Union, i.e. Secretary of the Transport & Dock Workers Union at Exhibit 8 stating and contending that, it is a registered Trade Union registered under Indian Trade Union Act, 1926, having its office at P.D'Mellow Bhavan, P.D'Mellow Road, Carnac Bunder, Mumbai – 400 038. It is stated by the 2nd party Union that M/s. Bombay Intelligence Security (I) Ltd. 1st party (1), is having its office at 101, Swamilia Shah Co-op. Hsg. Society Ltd., Garden Lane, Beh. Ashreya Cinema, Ghatkopar, Mumbai – 400 086 is a Contractor of the 1st party (2) who is providing security guards to work in the various establishments of the ONGC at various places in the State of Maharashtra. It is contended by the 2nd party union that, the said ONGC, 1st party (2) is a corporate body controlled by the Government of India, through the Ministry of Petroleum having its Regional Office at Vasudara Bhavan, Bandra [E], Mumbai.

3. According to the union, Jagdish K. Gupta was appointed by the said employer before 15 years as security guard and he worked continuously in the establishment of 1st party (2) at Arcadia, Nariman Point, Mumbai. According to 2nd party union, it served strike notice and charter of demands regarding revision of wages of the contract workers working in the establishment of ONGC at various places in the State of Maharashtra. According to union, said strike notice and charter of demands was admitted in conciliation proceedings and conciliation proceedings started. It is stated that, as said Gupta is the representative of the union, the officers of the ONGC i.e. 1st party (2) and the employer jointly decided to penalize Gupta and to create panic in the mind of the workers. According to Union, said Gupta was transferred from Arcadia to Bengal Chemicals. Gupta joined his duties at Bengal Chemicals but after few days, he was again transferred from Bengal Chemicals to the establishment of ONGC at Mallet Bunder without any reason. According to union, there is no provision for transfer of such employees. It is the case of the union, that the transfer by both the employers is illegal and is in contravention of the provisions under Section 33 of the Industrial Disputes Act, 1947. According to union, such transfers are made just to harass the workers. Gupta was served with the show cause notice dated 20.10.2000 which he replied categorically vide his letter dated 3.11.2000. It is stated by the union that, again union wrote to the Executive Director of ONGC vide letter dated 6.11.2000 and brought the contents of the said notice to his knowledge in which factual position was summarized and requested the officers of the ONGC to look into the welfare of the workers and did not harass the contract workers and transfer them. It is case of the union that, employers should not transfer their workers without any reason or without any provisions. So the union, pray that, since the concerned workman Gupta who was not allowed to report on duty with effect from 22.9.2000, be treated as termination and it pray that, the said be quashed and set aside with directions to 1st party to reinstate him with benefit of full back wages and continuity of service.

4. This is disputed by the 1st party (1) by filing written statement at Exhibit 10 stating and contenting that, Reference is not maintainable in law as well as on facts and as such it deserves to be dismissed. It is contended by the 1st party (1) that, there is no industrial dispute inexistence between the parties within the meaning of Section 2(k) or Section 2A of the Industrial Disputes Act, 1947. It is the case of the 1st party (1) that, employer has not terminated the services of the concerned workman Mr. Gupta. It is the case of the 1st party (1) that, the concerned workman Gupta was re-deployed by the employer from one place to another. It is the case of the 1st party (1) that, since the concerned workman did not report at the place where he was re-deployed, question of terminating him does not arise since he has not reported on duty. It is the case of the 1st party (1) that, he has been deployed by Bombay Intelligence Security (I) Ltd. It is stated by the 1st party (1) that, there is no relationship that of ‘employer’ – ‘employee’ between the concerned workman and ONGC i.e. 1st party (2). It is the case of the 1st party (1) that, even no relief is sought by the union against 1st party (2) nor there is any averment in the Claim Statement that, he is employee of the ONGC i.e. 1st party (2).

5. According to 1st party (1) dispute raised by the union regarding transfer policy is illegal. It is the case of the 1st party (1) that, there is no demand on the part of the union or workman that the alleged termination should be set aside and that, the concerned workman should be reinstated. It is the case of the 1st party (1) that, however, in the subject-matter of the Reference Schedule of the Order is in respect of the alleged removal of the concerned workman from the services. It is the case of the 1st party (1) that, in the absence of any such demand or complaint of the union or by the concerned workman regarding alleged termination, Reference does not survive and it is not legal and tenable. It is

denied that, he is purposely transferred from one place to another. It is denied that, the employee cannot be transferred as stated by the union. It is the case of the 1st party (1) that, since the workman refused to report at transferred place, question does not arise to reinstate him. Even it is the case of the 1st party (1) that, the workman is still at liberty to report for work subject to the rights of the Employer to take disciplinary action against him as he remained unauthorisedly absent. It is the case of the 1st party (1) that, since he was not terminated the question of reinstating him and considering prayer of back wages does not arise. So it is prayed that, the prayer made by the union for the concerned workman be rejected.

6. Amended Claim Statement is filed by the 2nd party at Exhibit 13. Amended Written Statement is filed by the 1st party at Exhibit 15 stating that, amendment carried out is imaginary and does not have any force to consider it.

7. 1st party (2) filed written statement at Exhibit 31 stating and contending that, the Reference is not maintainable against it. It is stated that, it is not Employer of the concerned workman. It is stated that, there is no relationship of master and servant between the 1st party (2) and the concerned workman. It is the case of the 1st party (2) that, since no relief is sought against it, its name be deleted from the Reference. It is the case of the 1st party (2) that, since the concerned workman is contract employee and relief sought against Contractor, question does not arise to consider the ONGC as a party in the proceedings. So it is prayed that, the 1st party (2) be deleted from the Reference.

8. Even by application at Exhibit 32, 1st party (2) prayed for deletion of its name and disposal of the Reference against it which is replied by the 2nd party by filing reply at Exhibit 34 stating that, since 1st party (2) is the original Employer for concerned workman and 1st party (1) is supplying security services of the concerned workman it cannot be deleted from the Reference.

9. In view of Award Part – I, the reference as against 1st party (2) is not maintainable. In view of Award Part – I, the reference is maintainable against 1st party (1) and 1st party (1) is directed to attend the further hearing.

10. I have heard the arguments of both the sides. Following issues are framed at Ex.25. I reproduce the issues along with my findings thereon for the reasons to follow:

Sr. No.	Issues	Findings
1	Is reference suffering from mis-joinder of parties ?	As per order Award Part - I
2.	Whether reference is maintainable ?	As per order Award Part – I
3.	Does 1 st party prove that 2 nd party remained absent unauthorisedly ?	Yes
4.	Does 2 nd party prove that employee involved in the Reference is terminated ?	No
5.	Does 2 nd party entitled for relief as sought ? If yes, in what manner ?	No
6.	What Order ?	As per final order

REASONS

Issue Nos. 1 & 2

11. In view of Award Part I, it is held that the reference is not maintainable as against Party No.2 and the reference is suffering from mis-joinder of parties. Accordingly both these issues are answered in view of Award Part I.

Issue Nos. 3 & 4

12. So far contention go, it is the contention of the 2nd party union that there is no provision for transfer of the employee and therefore the transfer order issued by the 1st party thereby transferring Shri Jagdish Gupta from Arcadia to Bengal Chemicals is in contravention of Section 33 of the Industrial Disputes Act, 1947. As per pleadings in para 9(a) of the statement of claim workman was harassed by Respondent No.1, Bombay Intelligence Security (I) Ltd. by frequent transfers and even show-cause memo was issued alleging misconduct of the employees but then no enquiry was conducted and the Respondent No.1 did not allow concerned workman to join his duty. The question is whether this action of 1st party No.2 amounts to termination of the concerned employee.

13. In view of the pleadings in para 9 of the statement of claim the union has said that it had lodged the complaint vide its letter dated 4.11.2000 bearing No. TD/ONGC-5/1700/2000 regarding breach of Section 33 of the Industrial Disputes Act, 1947. In the said complaint the union has not challenged the alleged termination of service. Here it may be stated that 1st party No.1 is employing the employees such as security guards, supervisors, security officers, arm guards etc. to supply security to the customers as per their requirement. Even the service of security guards and security personnel are transferable and in that circumstances if the workman is re-posted at some other site as per the requirement of the employer then that may not amount to illegal termination if the employee on his own did not join the duties at the other site where he is re-posted. It appears from the pleadings that workman was posted by way of stop gap arrangement at Bengal Chemicals site and thereafter as per order of 22.9.2000 he was directed to report for work at Mallet Bunder site of ONGC. He did not report the said place and therefore show cause notice was issued to him asking him as to why the disciplinary action should not be taken against him. Thereafter reminder was also sent to him by letter dated 3.11.2000. In view of that if the workman has not reported for work from 23.9.2000 he is at liberty to report for work as per the said order.

14. Even otherwise it appears that the concerned workman has not adduced his oral evidence to show that he was willing to join the duties after receiving the transfer order. For want of evidence it will have to be said that the union has failed to establish that the services of the concerned workman came to be illegally terminated.

15. The Learned Counsel for the first party submitted that in view of Award Part I the reference as against the ONGC is rejected being not maintainable. Submission is to the effect that the first party Bombay Intelligence Security (I) Ltd. being the contractor of ONGC who is providing the security guards to work in the various establishments of ONGC at the various places in the State of Maharashtra is not under Central Government and therefore this tribunal has no jurisdiction to entertain the reference. In view of this submission also and for want of evidence, I find that 2nd party union has not proved the above issues hence above issues are answered accordingly.

Issue Nos. 5 & 6

16. In view of my findings to the above Issues, I find that the 2nd party workman is not entitled to any relief. Hence I pass the following order.

FOR THE EMPLOYER : Mr. A.K. Jalisatgi, Advocate
FOR THE WORKMEN : Mr. A.M. Koyande, Advocate

Mumbai, dated the 25th July, 2017**AWARD PART - II**

1. This is reference made by the Central Government in exercise of powers under clause (d) of sub-section (1) and sub-section (2A) of Section 10 of the Industrial Disputes Act, 1947 vide Government of India, Ministry of Labour & Employment, New Delhi vide its order No. L-30011/67/2003 – IR (M) dated 21.10.2003. The terms of reference given in the schedule are as follows :

“Whether the action of the Contractor M/s. Bombay Intelligence Security (I) Ltd., in removing from service Sh. Janardhan Singh justified ? If not, to what relief the workman is entitled ?”

2. Statement of Claim is filed by the Secretary of the Union i.e. Secretary of the Transport & Dock Workers' Union at Exhibit 9 stating and contending that, the concerned workman Shri Janardhan Singh joined services of the 1st Party with effect from 27.9.1991 as a Security Guard. According to union, 1st Party is engaged in the business of providing security services to its customers on the contract basis. It is contended by the union that, 1st Party provides security personnel e.g. Security Guards, armed guards, supervisors etc. to its customers as per the requirements after entering into the contracts. According to union concerned workman was posted as Security Guard at ONGC's residential colony at Bandra Kurla Complex. It is stated that, on 18.10.1999 the concerned workman at about 3.20 hours was on duty. It is the case of the union that, though he was on duty and taking rest, Supervisor falsely informed that, the concerned workman was found sleeping on duty. It is contended that, accordingly charge sheet was served on the concerned workman and show-cause notice which was replied by the concerned workman. It is contended that, Inquiry Officer conducted the enquiry without following due process of law and without giving opportunity to the concerned workman to represent him. According to union the concerned workman who is almost illiterate participated in the enquiry. Even it is stated by the union that, the Defence Representative who appeared for the concerned workman was not acquitted with the enquiry proceedings. It is contended that, Inquiry Officer did not allow his Defence Representative to lead his defence and he did not consider the documents on record. Even it is alleged that, the concerned workman acknowledged the report dated 19.10.1999 where it was written, security guard found 'alter'. It is his contention that, it was then cancelled and introduced by word 'sleeping' which is fabricated just to harass the concerned workman. It is further alleged that, the enquiry officer did not appreciate the evidence on record and consider it while giving finding. It is contended that, the concerned workman is out of job from the date of his termination and is not in the employment. So it is prayed that, 1st party be directed to reinstate him with benefits of back wages and continuity of service.

3. This is disputed by the 1st party by filing written statement at Exhibit 11 stating and contending that, the enquiry was fair and proper. It is stated that, full opportunity was given to the concerned workman. It is stated that, concerned workman was found sleeping when officer of the 1st party Mr. Anil Kumar Sharma visited the place of work of the

concerned workman at 3.20 hours on 18.10.1999 when he was posted at residential colony at Bandra Kurla Complex. It is the case of the 1st party that, accordingly he submitted the report and action was taken by the Management after issuing show-notice and charge sheet. It is stated by the 1st party that, enquiry was conducted by giving full opportunity to the concerned workman. It is contended that, Inquiry Officer is totally outsider and independent Enquiry Officer who conducted enquiry by giving full opportunity to the concerned workman and submitted his report with details by giving all the facts and evidence placed before him. It is contended that, after giving full opportunity to the concerned workman finding was given by the Enquiry officer and opportunity was given to him. It is contended that, relying on that, action of termination was taken which is just and proper and does not require any interference. It is stated that, in case of Security Guard, if he is found sleeping while on duty it is a serious 'misconduct' which is committed by the concerned workman and for that he cannot be excused.

4. Rejoinder is filed by the 2nd party at Exhibit 13 stating and contending that, on the basis of the fabricated report of the Enquiry Officer d action was taken which is required to set aside.

5. Award Part – I has been passed by the tribunal on 5.8.2010. As per Award Part – I, it is held that enquiry was fair & proper and the findings are not perverse.

6. In view of that following issues arise for my consideration and my findings thereon for the reasons to follow are as follows:

Issue No.	Issues	Findings
3	Is punishment proportionate ?	Yes
4	Is 2 nd party is entitled to re-instatement ?	No
5	What order ?	As per final order

REASONS

Issue No. 3 :

7. On going through Award Part-I, it appears that the aspect was also taken into consideration that the other persons who were also found with the concerned employee are kept in the employment of the 1st party. Then it was finding of fact that it cannot be ground to consider the case of the concerned workman and as such he has not led any evidence on the point to show biasness of the 1st party management in retaining another employee namely Shrivastav in service. It is thus finding of the fact that concerned employee being a security guard on duty was found sleeping on duty. Enquiry was held in that respect. The opportunity was given to him to defend himself. The enquiry was fair & proper and even findings of the Enquiry Officer are not perverse. Now the question creeps in as to whether in such circumstances the punishment that was imposed on concerned employee of dismissal from service is proportionate or not ?

8. Learned Counsel for the concerned workman submitted that on 18.9.1999 the concerned workman was posted in second shift and continued in third shift due to shortage of guards & when 1st party Area officer visited the work spot at 3.25 a.m. on 19.10.1999 the workman along with Shrivastav was present but was sitting and resting. Area officer wrote in report that both were found alert but thereafter the word 'alert' was changed and wrote as 'sleeping'. Submission is to the effect that the cap and stick of the concerned workman was not confiscated as per the norms of security nor photographs were taken. According to the Learned Counsel for the concerned workman even the workman has stated in his reply to the charge sheet that he had to do double shift on that day and therefore he was resting and not sleeping. In view of this the submission is that the act of the concerned workman who was given double shift and therefore he was resting, cannot be a gross mis-conduct and therefore the punishment imposed upon him is disproportionate.

9. Learned Counsel for the concerned workman seeks to rely on the decision in case of Tata Engineering & Co. Comotive Co. Ltd. V/S. Jitendra Prasad Singh 2000 III CCR 853 to submit that when other two persons who were involved in the same instance were given lighter punishment, then the dismissal of the Respondent would amount to denial of justice as it would mean that he was singled out and therefore tribunal can interfere into the question of punishment

10. Here in the instant case the plea of the concerned workman that he was discriminated or singled out has already been considered and it is a finding of the fact that in the facts of this case that it cannot be a ground to consider the case

of the concerned workman since there is no evidence of biasness on the part of party No.1 in retaining the services of another workman namely Shrivastav.

11. The enquiry was held to be fair & proper and findings are not perverse. On going through enquiry report at Pages 28 to 34 below Exhibit-17, it appears that the Inquiry Officer held that the concerned workman was found sleeping while on duty and this finding is based on evidence. This was considered to be a grave mis-conduct since the concerned workman was working as security guard and the act of sleeping on duty would amount to grave mis-conduct.

12. On going through the record, it appears to be the finding of the Enquiry Officer that sleeping while on duty particularly on the part of security personnel kept as custodian and proprietor is very serious act of mis-conduct. Once it is considered to be very serious mis-conduct on the part of concerned workman then it cannot be said that the punishment imposed on him is dis-proportionate.

13. In the decision in case of Bharat Coach Co. Ltd. V/S. Uttam Manohar Nakate 2005 (2 SSC 489) it is held that 'sleeping on duty amounts to serious misconduct.'. In para 28 of the said judgment it is observed that

"In case the employee found guilty cannot equated with a victim or scapegoat and a plea of victimization as a defence will fall flat. This is why once in the opinion of the tribunal a gross misconduct is established, as required, in legal evidence either in a fairly conducted domestic enquiry or before the tribunal on merits, plea of victimization will not carry the case of the employee any further. A proved misconduct is antithesis of victimization as understood in industrial relations. This is not to say that the tribunal has no jurisdiction to interfere with an order of dismissal on a proof of victimization and therefore it is obligatory on the part of Respondent to prove and plead the act of victimization."

14. In the instant case as seen earlier there is no evidence on the part of concerned employee to show the biasness of the 1st party or victimization. It is in that circumstances the submission of Learned Counsel for the 1st party is that once the labour court found that the charges were proved, it had no jurisdiction to interfere in the punishment imposed. In the context he seeks to rely on the decision in case of U.P. State Transport Corporation V/S. Mohanlal Gupta 2000 DGLS (SC 678).

15. As such the Learned Counsel for the concerned workman seeks to rely on the decision in case of State of U.P. & Ors. V/S. J.P. Sraswat 2011 (2 LLJ 625 SC) wherein it is held that interference is permissible in rare case of punishment being disproportionate to the charge established. In that case the concerned workman remained absent for long time. Enquiry was held and then punishment was imposed. In para 10 of the judgment it has been observed that

"punishment of termination of service that would not debar from future employment was perfectly reasonable and fair punishment and there was no occasion for the High Court to interfere with the order."

16. So far the facts of the present case are concerned, it appears that he was found sleeping on duty in respect which the enquiry was held and act of misconduct has been proved which was considered to a grave misconduct and ultimately the punishment if dismissal was imposed whereby he has been removed from the service w.e.f. 25.2.2000. Only plea that was raised by the concerned workman is in respect of victimization on the ground that other workman Shrivastav who was working as security guard was taken back in service and he has been singled out. But in this respect it was necessary for him to plead and prove the victimization and to adduce evidence in that respect. As said earlier he has not adduced evidence in respect of biasness of the employer and his victimization.

17. Victimization is a serious charge by the employee against the employer and therefore it must be properly and adequately pleaded by giving all particulars upon which the charge is based to enable the employer to fully made them. since that is not done it cannot be said that the concerned employee was victimized which can be a ground for awarding lesser punishment.

18. So far charge of sleeping on duty as security guard is held to be a grave misconduct and therefore it will have to be said that the punishment that has been imposed upon the concerned workman is proportionate. Issue No.3 therefore answered accordingly in the affirmative.

Issue Nos. 4 & 5 :

19. In view of my findings to the Issue No.3, the second party workman is not entitled to reinstatement. Thus the order.

AWARD

The Government of India/Ministry of Labour, New Delhi by reference adjudication Order No. L-40012/85/94-IR(DU) dated 04/09.05.1995 referred the dispute for adjudication to the Industrial Tribunal, Ahmedabad (Gujarat) in respect of the matter specified in the Schedule:

SCHEDULE

“Whether the action of the Senior Post Master, Head Office, Rajkot in discontinuing/terminating/not taking on duty to Shri Nalin R. Tank Badli Postman (Outsider Postman) under Sr. Post Master, Rajkot is valid, justified and legal? If not to what benefits the workman/employee is entitled for and what directions are necessary in the matter?”

1. The reference dates back to 04/09.05.1995. The second party workman submitted the statement of claim Ex. 2 on 25.07.1995 and the first party submitted the written statement Ex. 8 on 10.03.1997.
2. The second party workman in his statement of claim alleged that he was employed as Casual Labour/Outsider Postman from 01.01.1988 and worked up to 10.10.1990 and during the aforesaid period, he completed 240 days from 02.02.1989 to 31.01.1990 with total 592 days in the total aforesaid period but his services were terminated orally without serving any notice and paying notice pay, violating the provisions of Section 25 F of the Industrial Disputes Act. He has also alleged that persons junior to him with lesser working days have been permitted to continue in service. He has been employed since then, therefore, he has prayed for reinstatement with back wages and continuity of service.
3. The first party in its written statement has submitted that he has not worked continuously for 240 days in any calendar year. He worked for 118 days in 1988, 223 days in 1989 and 185 days in 1990. It has also been submitted that in Para No. 6 of the judgement dated 02.02.1996 of the apex court in SLP(C) No. 17577 of 1995, Supreme Court has held that the department of post is not an industry. Thus the provisions of Industrial Disputes Act are not eligible. It has also been submitted that no person junior to the workman has been permitted to continue in service and as the workman has not completed 240 days in any calendar year, therefore, the provisions of Section 25 F of the Industrial Dispute Act are not violated.
4. The workman submitted his affidavit Ex. 29 on 08.01.2014 in support of his case wherein he reiterated the averments made in the statement of claim. But since then, the second party workman has not been appearing for cross-examination and the first party's advocate moved number of applications Ex. 30 to 33 to close the cross-examination of the second party workman.
5. Today on 28.07.2017, the second party workman and his advocate are also absent. Therefore, the affidavit of workman without cross-examination has no evidentiary value and is just a waste paper.

6. Thus in the absence of the evidence of the second party workman, the relief sought cannot be granted.
7. Thus the reference in the absence of the evidence and cross-examination of the workman, is disposed of with the observation as under: “the action of the Senior Post Master, Head Office, Rajkot in discontinuing/terminating/not taking on duty to Shri Nalin R. Tank Badli Postman (Outsider Postman) under Sr. Post Master, Rajkot is valid, justified and legal.”
8. No relief can be granted.

AWARD

The Government of India/Ministry of Labour, New Delhi by reference adjudication Order No. L-40012/92/98-IR(DU) dated 26.04.1999 referred the dispute for adjudication to the Industrial Tribunal, Ahmedabad (Gujarat) in respect of the matter specified in the Schedule:

SCHEDULE

“Whether the action of the Sub-Divisional Officer, Phones, Surendranagar/Asstt. Director Telecom (R & E), Ahmedabad in terminating/discontinuing the services of Shri Dhanjibhai Bhanabhai Dhamel, workman is legal and justified? If not, to what relief the workman is entitled?”

1. The reference dates back to 26.04.1999. The second party workman submitted the statement of claim Ex. 5 on 17.04.2000 and the first party submitted the written statement on 31.07.2000. Since then the second party has been generally absent and has also not been leading evidence. Therefore, on 04.03.2011, the second party was issued notice to appear and lead his evidence on 18.04.2011. But even after a lapse of 6 years, the second party did not appear and also did not lead his evidence. The tribunal on 07.10.2016 gave a last opportunity to lead evidence by the second party in absentia but to no result. Thus it appears that the second party workman is not willing to prosecute the case.

2. Therefore, the reference in the absence of the evidence of the second party workman, is disposed of with the observation as under: “the action of the Sub-Divisional Officer, Phones, Surendranagar/Asstt. Director Telecom (R & E), Ahmedabad in terminating/discontinuing the services of Shri Dhanjibhai Bhanabhai Dhamel, workman is legal and justified.”

AWARD

The Government of India/Ministry of Labour, New Delhi by reference adjudication Order No. L-40012/223/2000-IR(DU) dated 29.08.2000 referred the dispute for adjudication to the Industrial Tribunal, Ahmedabad (Gujarat) in respect of the matter specified in the Schedule:

SCHEDULE

“Whether the action of the management of Telecom District Manager, Telecom Department, Junagadh in terminating/discontinuing the services of Shri Sureshchandra J. Verma, Casual Labour, Kesodw.e.f. 11.08.1992 is just, valid and legal? If not, to what benefits the workman is entitled and what directions are necessary in the matter?”

1. The reference dates back to 29.08.2000. The second party workman submitted the statement of claim Ex. 3 on 24.07.2001 alleging that he had been working as Casual Worker in the first party organisation since 02.11.1984. He was performing his duties with sincerity and to the full satisfaction of the first party organisation with a monthly wages of Rs. 1354/- per month but without disclosing the reasons; his services were terminated from 11.08.1992 without serving any notice and notice pay/retranchment compensation. Therefore, he has prayed for reinstatement with back wages with a payment of Rs. 5000/- as legal expenses.
2. The first party in his written statement submitted and denied all the averments made in the statement of claim stating that the second party workman Sureshchandra J. Verma has been working in the department since November, 1984 at Kasod. There is no dispute that he would not have completed 240 days in a year, therefore, temporary status was granted but during his aforesaid period, he committed misconduct while discharging his duties as Chowkidaar. On 29.02.1992, when he as a Casual Labour was on duty as Chowkidaar in the night of that day 87 G.I. Wires of 100 pound/4350 Kilograms were stolen by somebody due to the carelessness and negligence of the workman and he has admitted this fact in his reply, therefore, his services were terminated after giving him sufficient opportunities of hearing as per the principles of natural justice. Detailed disciplined inquiry was conducted by District Telecom Manager, Junagadh.
3. The second party was examined on 13.09.2005 and cross-examined on 26.03.2009 and 28.08.2009 and in his cross-examination; he has not denied that he was not given sufficient opportunities of hearing. Rather he has admitted all the documents of the first party regarding the inquiry, notice as mentioned in the written statement.
4. The record reveals that a FIR registered in to the said theft. He also admitted that the letter annexed with the written statement is in his hand writing wherein he admitted that the theft was committed.

5. The legal heirs/widow of the workman moved an application Ex. 23 annexed with the documents informing that the second party workman was died on 22.01.2011. The said application was allowed. Both the parties closed their evidence and the second party workman admitted his misconduct leading to the termination of his service.
6. The advocate of the legal heirs of the second party workman submitted the written argument Ex. 27 referring the statement of claim that the second party workman joined his service on 02.11.1984. He was made permanent in the year 1989 as a watchman which he continued to work continuously till the date of termination of his service. His last drawn salary was Rs. 1354/- per month. His entire service record was clean and blotless but on 29.02.1992, some incident of theft was taken place in the office. The workman was not involved directly or indirectly in the event of theft but he was held guilty in the same without holding any departmental inquiry and was terminated on 11.08.1992. He referred to the written statement that his services was terminated for holding him guilty for the misconduct of negligence as a theft was committed on 29.02.1992 night in the office regarding the 100 pound G.I. Wires while he was performing his duty as Watchman.
7. The main argument of the second party's advocate is that no departmental inquiry was conducted into the misconduct of the workman by the first party employer and the employer has not tried to justify the order of termination by leading proper evidence. He has further argued that the workman has not admitted his guilt in the documents Ex. 13,14, 15 and 16. Thus the termination order is passed without following the principles of natural justice.
8. I perused the whole record. I would like to mention that paper no. 12/1 (Ex. 13) reveals that a FIR was registered in the police station into the theft committed on 29.02.1992 night and on the same day, the workman gave his statement in his own handwriting stating that he was on duty on 29.02.1992 night as a Chowkidaar when a theft of aforesaid articles being committed and the fact of theft came into his notice in the morning. This is very amazing that the workman who was performing the duty of Chowkidaar in the Telephone Depot and he becomes aware of the fact in the morning. Definitely the workman was negligent and when he himself has admitted his negligence in duty by way of his own handwritten statement, I don't think that any departmental inquiry was necessary to be conducted. Of course, he has not admitted the negligence in his handwritten statement but the statement speaks volume of his negligence in his duty. Thus the contention that the departmental inquiry was to be conducted and termination order ought to have been passed after the departmental inquiry has no force and fit to be rejected.
9. Therefore, the reference has no force and evidence of both the parties discloses that the termination was legal and just.
10. Therefore, the reference is disposed of with the observation as under: "the action of the management of Telecom District Manager, Telecom Department, Junagadh in terminating/discontinuing the services of Shri Sureshchandra J. Verma, Casual Labour, Kesodw.e.f. 11.08.1992 is just, valid and legal".
11. No relief can be granted.
12. The award is passed accordingly.

The Government of India/Ministry of Labour, New Delhi by reference adjudication Order No. L-40012/201/96-IR(DU) dated 16.01.2001 referred the dispute for adjudication to the Central Govt. Industrial Tribunal-cum-Labour Court, Ahmedabad (Gujarat) in respect of the matter specified in the Schedule:

SCHEDULE

“Whether the action of the management of the Sub-Divisional Officer, Telegraphs, Bhuj in terminating the services of Shri Kedarnath Bhagat, Mazdoor under Sub-Divisional Officer, Telegraphs, Bhujw.e.f. 30.04.1986 is just, proper and legal? If not, to what relief the workman is entitled?”

1. The reference dates back to 16.01.2001. After service of the notice, the second party submitted the statement of claim Ex. 4 on 17.10.2001 and the first party submitted the written statement on 05.08.2002. The second party workman was also examined on 09.03.2004. Later on 17.04.2009, the first party moved an application Ex. 21 for seeking permission to further cross-examine the second party workman and the court listed the application Ex. 21 for hearing. But since then the second party workman has not been appearing for filing objections against the application Ex. 21 and also for remaining evidence.
2. It is also noteworthy that despite long absence of the second party workman, the tribunal as a matter of caution, issued fresh notice to both the parties to appear on 13.04.2011 but the second party workman did not prefer to appear to participate in the proceedings. Thus it appears that the second party workman is not willing to prosecute the case.
3. On 5.4.2013 reference was received in this Tribunal. Which was register as I.D No. 17/2013 and claimant was called upon to file claim statement with in fifteen days from date of service of notice. Which was required to be accompanied with relevant documents and list of witnesses.

On 29.04.2013 workman filed claim statement before this Tribunal. Where-in he prayed as follows:-

“It is most respectfully prayed that management of Municipal Corporation of Delhi may please be directed to regularize the services of workman Sh. Chand Ram S/o Sh. Surajmal with effect from 1.4.2004 and to pay arrears with all consequential benefits in the interest of justice.”

After service of notice management filed written statement on 13.09.2013. Where-in management prayed as follows:-

“It is respectfully prayed that the claim of the workman may kindly be dismissed being false, frivolous, vexatious, misconceived and being devoid of any merit.

Against written statement workman filed rejoinder. Wherein he re-affirmed the contents of claim statement.

On 9.4.2015 following issues were framed:-

1. Whether action of MCD in not regularizing service of workman Sh. Chand Ram, Muster Roll Beldar w.e.f 01.04.2004 is fair and justified? If so its effect?
2. If workman is not entitled for regularization since 1.04.2004 then for what relief he is entitled to and from which date?

And 29.05.2015 was fixed for workman evidence. On 29.5.2015 workman filed his affidavit in his evidence. Copy of which supplied to Ld. A/R for the management .

Fixed 20.07.2015 WW1 tendered his affidavit and 14.09.2015 was fixed for cross-examination of WW1.

Cross-examination of WW1 could be concluded on 21.03.2016. Then workman closed his remaining evidence and 2.5.2016 was fixed for management evidence.

But management filed affidavit of MW on 29.7.2016. Copy of which supplied to workman.

Fixed 22.8.2016 for tendering of affidavit and cross-examination of MW.

On 24.10.2016 MW1 tendered his affidavit. He was partly cross-examined. His further cross-examination is deferred to 12.01.2017.

He was further cross-examined on 12.1.2017 and his remaining cross-examination of MW1 deferred to 27.3.2017.

On 27.3.2017 MW1 was further cross-examined and his further cross-examination is deferred to 28.3.2017.

On 28.03.2017 MW1 was further cross-examined and his cross-examination was concluded.

On 1.05.2017 was fixed for argument. Parties may file written arguments also.

On 1.5.2017 workman filed written arguments. Copy of which supplied to management.

Fixed 8.5.2017 for reply by management to written arguments of workman.

On 8.5.2017 management filed written arguments copy of which supplied to workman. Who was permitted to file reply on 15.5.2017 .

On 15.5.2017 workman filed reply. Copy of which supplied to Ld.A/R for the management .

Then Award was reserved with liberty to Ld. A/R for the management to file reply if any.

No reply by management filed.

In the light of contentions and counter contentions I perused the pleadings and evidence of parties on record including written arguments of parties.

Which makes it crystal clear that in connection with the facts mentioned in paragraph 1 of written submissions dated 8.5.2017 of management it is submitted that while dealing with Issue No.1 in the written arguments which were filed by workman in the court on 1.5.2015, various oral and documentary evidences produced in the case & Law laid down by the Hon'ble Supreme Court were dealt with and it was established as under:-

(a) That action of MCD in not regularizing the workman Chand Ram Musterr Roll Beldar w.e.f. 1.4.2004 is neither fair nor justified.

(b) And that workman is entitled for reinstatement w.e.f. 15.10.1997 his date of termination on the basis of decision of High Court of Delhi and on the basis of law laid down by Hon'ble Supreme Court in The Director General, I.C.M.R. Vs Dr. D.K. Jain and Another as reported in [2007] 3 S.C.R. and that he is entitled for regularization as Beldar with effect from 1.4.2004 on the basis of Circular dated 2.2.05 of MCD Ex.WW1/2 (which has been admitted as genuine by MW1 in his cross examination).

This is proved from the following:-

(i) That for compliance with decision of High Court dated 17.9.2009 (certified copy Ex.WW1/1 page 11), workman was entitled for reinstatement & not for re-engagement as done by management.

Dictionary meaning of reinstatement is that workman should have been re-established in his former position i.e. workman should have been reinstated w.e.f. date of illegal termination in year 1997. From certified copy of award of Presiding Officer Labour Court (in brief POLC) Ex.WW1/10 page 3, it is proved that date of illegal termination of workman as per admission of management was 15.10.1997.

Management has not reinstated the workman as per direction of Delhi High Court w.e.f. his date of termination but has re-engaged the workman as fresh Beldar w.e.f. 7.5.2010 (as is evident from admission of MW1 in paragraph 6 of Ex.MW1/A & Office Order of MCD Ex.WW1/5). This conduct on part of management is not good.

(ii) That for compliance with Circular of MCD Ex.WW1/2, workman is entitled for regularization w.e.f. 1.4.2004 (as mentioned in reference U/s 10 of ID Act). Circular of MCD Ex.WW1/2 has been admitted as genuine by MW1 in his cross examination dated 28.3.2017.

2. That regarding contents of paragraph 2 of written submissions dated 8.5.2017 of management, it is submitted that workman is not only entitled for regularization w.e.f. 1.4.2004 on the basis of Decision of Hon'ble High Court of Delhi & Circular dated 2.2.05 of MCD Ex.WW1/2 (admitted as genuine by MW1 in his cross examination) but also on the basis of the following law laid down by Hon'ble Supreme Court:-

(i) As per law laid down by Hon'ble Supreme Court in The Director General, I.C.M.R. Vs Dr. D.K. Jain and Another as reported in [2007] 3 S.C.R. on pages 893 & 894 (Photo copy of citation was filed in court on 1.5.2017), whereby direction to grant reinstatement amounts to continuity of service.

(ii) As per law laid down by Hon'ble Supreme Court in Union of India and Others Vs Rajesh Kumar Gond as reported in (2014) SCC on page 588 & as shown in the highlighted portion (Photo copy of citation has been filed in court on 15.5.2017), whereby when no material placed before Tribunal about functional distinction between posts (here in this case distinction between functions of Muster roll Beldars & regularized Beldar) order of Tribunal granting parity in pay on the basis of Equal Pay for Equal Work cannot be faulted.

(iii) As per law laid down by Hon'ble Supreme Court in M/s Hindustan Tin Works Pvt. Ltd. Vs The employees of M/s Hindustan Tin Works Pvt. Ltd. and Others as reported in (1979) 2 SCC on page 85 (copy of citation filed in court on 1.5.2017) when employer has taken away illegally the right to work of the workman contrary to the relevant law such as by illegal /invalid termination as in this case, The relief of reinstatement with continuity of service can be granted.

3. (i) Management has misrepresented facts in paragraph 3 of written submissions dated 8.5.2017 of management that that present dispute is not an Industrial Dispute because as law laid down by Hon'ble Supreme Court in Bihar State Road Transport Corpn Vs. State of Bihar and others as reported in highlighted paragraph (E) on page 1218, when cause of employee is taken over and espoused by Union before conciliation officer, the dispute is an industrial dispute referable under section 10 (1) by State Government and reference is competent. Photo copy of this citation has been filed in court on 15.5.2017.

(ii) Demand notices have been served upon the management and have been duly proved in the court vide Ex.WW1/8, Ex.WW1/9, Ex.WW1/12 & Ex.WW1/3, Ex.WW1/4 & Ex.WW1/A.

(iii) Management has misrepresented in this paragraph that reference has been made mechanically without due application of mind for which it has no locus standi because as law laid down by Hon'ble Supreme Court in Bihar State Road Transport Corpn Vs. State of Bihar and others as reported in highlighted paragraph (E) on page 1218, when cause

of employee is taken over and espoused by Union before conciliation officer, the dispute is an industrial dispute referable under section 10 (1) by State Government and reference is competent.

(iv) Management has misrepresented in this paragraph that Delhi Municipal Worker's Union has no locus standi to raise the present dispute because as law laid down by Hon'ble Supreme Court in Bihar State Road Transport Corpn Vs. State of Bihar and others as reported in highlighted paragraph (E) on page 1218, when cause of employee is taken over and espoused by Union before conciliation officer, the dispute is an industrial dispute referable under section 10 (1) by State Government and reference is competent.

(v) Facts of the case MCD Vs Gauri Shankar & Ors as referred by management & as reported in 1999 V AD (Delhi) on page 905 are quite different from the facts of present case and as such decision of this case is not applicable to the case of workman under consideration.

In the cited case Regularization of services of Respondent No.1 w.e.f. 1.4.89 was pending adjudication before the Industrial Tribunal but respondent workman was claiming regularization w.e.f. 25.10.83 i.e. from the date of his initial joining and the Industrial Tribunal was also holding that workman was entitled to be regularized w.e.f. 25.10.83. But in the case under trial, workman is not claiming regularization from the date of his initial joining with management.

(vi) That study of contents of citation State of Karnataka & Ors Vs Uma Devi as reported in (2006) 4 SCC 1 reveal that provisions of the Industrial Disputes Act and the powers of the Industrial and Labour Courts provided therein were not at all under consideration in Umadevi case. The issue pertaining to unfair labour practice was neither the subject matter for decision nor was it decided in Umadevi case.

Industrial Disputes Act is made for settlement of industrial disputes and for certain other purposes as mentioned therein. It prohibits unfair labour practice on the part of employer in engaging employees as casual or temporary employees for a long period without giving them the status and privileges of permanent employees as is evident from the Fifth Schedule of the Industrial Disputes Act 1947. These facts are also proved from highlighted portions of paragraphs 17 and 18 on page 329 of Judgment of Hon'ble Supreme Court in Ajaypal Singh Vs Haryana Warehousing Corporation as reported in (2015) 6 SCC 329.

In view of above mentioned facts, it is proved that Law laid down by Hon'ble Supreme Court in State of Karnataka & Ors Vs Uma Devi as reported in (2006) 4 SCC 1 is not applicable to the case of workman under trial.

(vii) Facts of the case Uma Rani Vs Registrar, Cooperative Societies and Others as reported in (2004) 7 SCC in highlighted paragraph A on page 112 & highlighted paragraph B on page 113 are quite different from the facts of present case under trial and as such decision of this case is not applicable to the case of workman under consideration.

In the cited case appointments were made in contravention of mandatory provisions of the Act and statutory rules framed there under and State could not issue order of regularization under Ss 170 & 182 of T.N. Cooperative Societies Act 1983 or under T.N. Industrial Establishments Act 1981.

T.N. Cooperative Societies Act 1983 did not empower Govt. to issue order directing regularization of services of employees of cooperative societies who had been appointed in flagrant violation of the mandatory provisions of the Act and the Rules.

But facts of the case under trial are quite different. Here workman is seeking reinstatement and regularization w.e.f. 1.4.2004 on basis of decision of High Court of Delhi Ex.WW1/1 and on the basis of order of MCD Ex.WW1/2.

4. That in connection with the facts mentioned in paragraph 4 of written submissions dated 8.5.2017 of management it is submitted that workman has also claimed regularization in paragraph 5 of Replication to the amended written statement stating that muster roll employees who joined MCD in August 1996 after date of engagement of workman have been regularized but the workman has not been regularized. Workman has also mentioned the law laid down by Supreme Court in M/s Hindustan Tin Works Pvt. Ltd. Vs The employees of M/s Hindustan Tin Works Pvt. Ltd. and Others as reported in (1979) 2 SCC on page 85 on the basis of which he was seeking regularization.

5. That contents of paragraph 5 of submissions dated 8.5.2017 of management need no reply as these pertain to issues framed by Hon'ble Court.

6. That in connection with the facts mentioned in paragraph 6 of written submissions dated 8.5.2017 of management it is clarified that workman has filed in the court certified copies of following documents perusal of Hon'ble Court:-

- (i) Certified copy of Decision of High Court dated 17.9.2009 as Ex.WW1/1 (11 pages).
- (ii) Certified copy of award dated 8.4.2004 passed by Presiding Officer Labour Court as Ex.WW1/10 (3 pages).
- (iii) Certified copy of Order dated 17.9.2009 of Hon'ble Supreme Court of India as Ex.WW1/11 (2 pages).

7. That contents of paragraph 7 of submissions dated 8.5.2017 of management reveal that management had filed writ petition in High Court in year 2016 but the same has been suppressed from the Hon'ble Court for more than five months & has been revealed only at the stage of final arguments on 8.5.2017 so as to delay the process of justice intentionally & malafidely. Management is knowing well that regularization of workman has already been delayed due to fault of management from 1.4.2004 to 15.5.2017 that is for a period of about eleven years.

8. That contents of paragraph 8 of submissions dated 8.5.2017 of management need no reply in view of written arguments dated 1.5.2017 of workman & in view of written submissions dated 15.5.2017 of the workman which has also been filed in the court.

9. (a) That in connection with the facts mentioned in paragraph 9 of written submissions dated 8.5.2017 of management that claimant has never worked with management even for a single day for the period from 16.10.1997 to 6.5.2010 and as such claimant cannot be equated with those employees who had worked regularly on muster roll daily wage basis with the management. For this act the workman is not at fault. It is only the management who is at fault in this respect. This is proved from the following evidences:-

(i) As per paragraph 10 of Certified Copy of Award of Labour Court dated 8.4.2004 Ex.WW1/10 Page 3 as reproduced below:-

“10 ISSUE NO.2

The management had taken the defence that the workman was engaged for a specific period and purely as daily wager on muster roll from 15.8.1996 and he was disengaged on 15.10.97 after the specific period was over. To substantiate this no evidence has been led by the management. This conduct does not hold good. Admittedly, the workman worked for a period of more than 240 days in a last 12 months and so his removal from service without complying with the provisions contained under Section 25 F of I.D. Act is illegal and unjustified. The order of retrenchment is bad as no notice has been issued to the workman nor any retrenchment compensation has been paid.”

(ii) As per paragraph 11 of Certified Copy of Award of Labour Court dated 8.4.2004 Ex.WW1/10 Page 3 as reproduced below:-

“11. In view of my above discussion, I hold that the services of the workman have been terminated illegally and unjustifiably by the management.”

(iii) As per last 7 lines of Certified copy of Decision of Hon'ble High Court of Delhi dated 17.9.2009 Ex.WW1/1 Page 11:-

“.....It is clearly seen from the record that the proceedings were delayed only on account of the management. The management, in spite of giving several opportunities, has not led any evidence in the matter. In these circumstances, the refusal to grant reinstatement was not proper. In the result, the appeal is allowed. The award of the labour Court is modified to the extent that the appellant will be entitled to reinstatement in service with 50 % back wages.”

(iv) That as per law laid down by Hon'ble Supreme Court in The Director General, I.C.M.R. Vs Dr. D.K. Jain and Another as reported in [2007] 3 S.C.R. in highlighted portions marked 'H' on page 893 & marked 'A' on page 894, the direction to grant reinstatement amounts to continuity of service.

This citation was filed in the court on 1.5.2017.

(v) As per admission of MW1 in last four lines of paragraph number 4 on page 3 of Ex.MW1/A:-

“.....It is a fact that the Hon'ble High Court of Delhi has not given any benefit of continuity of service or seniority to the claimant.”

The facts mentioned in paragraphs 9(a)(i) to 9(a)(v) above prove that delay in regularization of workman for a period of 11 years is due to fault of management & this delay is not due to fault of workman.

(b) That relevant to the remaining facts mentioned in paragraph 9 of written submissions dated 8.5.2017 of management that claimant will be considered for regularization only when other employees engaged on muster roll basis w.e.f. 7.5.2010 are considered for regularization (& that Claimant has not cross examined MW1 on these facts), the relevant evidences are as under:-

(i) That as per cross examination dated 24.10.2010 of MW1:-

Question : Are the duties and functions of Muster Roll Beldars and regularized Beldars identical.

Ans : The duties of Muster Roll & regular Beldars are nowhere specified. This is the organisation of 24x7 working & the Beldars /staff engaged had to work according to the work requirement by the mgmt.

(ii) As per cross examination dated 12.1.2017 of MW1:-

“It is correct regular Beldars are getting more salary and allowances than daily wage Muster Roll Beldars.”

(iii) Reply to suggestion as given by MW1 on page 2 of cross examination dated 28.3.2017:-

“It is incorrect to suggest that on the Principle of ‘Equal Pay for Equal Work’ the workman is entitled for regularization w.e.f. 1.4.2004.”

(iv) That as per law laid down by Hon’ble Supreme Court in Union of India and Others Vs Rajesh Kumar Gond as reported in (2014) 13 SCC on page 588, When two posts in question cannot be equated but when no material was placed before Tribunal about functional distinction, order of Tribunal granting parity in pay on the principle of Equal pay for equal work cannot be faulted. Photo copy of this citation has been filed in court on 15.5.2017.

(v) That other facts relevant to this have also been dealt with & argued in Issue no.2 of written arguments filed by workman in the court on 1.5.2017.

The facts mentioned in paragraphs 9(b)(i) to 9(b)(v) above and the laid by Hon’ble Supreme Court in Union of India and Others Vs Rajesh Kumar Gond as reported in (2014) 13 SCC on page 588 also prove that workman is also entitled for regularization w.e.f. 7.5.2010 (his date of re-engagement) on the Principle of ‘Equal pay for Equal work’.

10. That contents of paragraph 10 of submissions dated 8.5.2017 of management need no reply in view of submissions made in preceding paragraphs 1 to 9 above of written submissions (dated 15.5.2010) of the workman & written arguments dated 1.5.2017 of the workman.

11. That study of contents of citation Secretary, State of Karnataka & Ors Vs Uma Devi as reported in III (2006)SLT 539 reveal that provisions of the Industrial Disputes Act and the powers of the Industrial and Labour Courts provided therein were not at all under consideration in this case. The issue pertaining to unfair labour practice was neither the subject matter for decision nor was it decided in this case. Photo copy of citation has been filed in court on 15.5.2017.

Industrial Disputes Act is made for settlement of industrial disputes and for other purposes as mentioned therein. It prohibits unfair labour practice on the part of employer in engaging employees as casual or temporary employees for a long period without giving them the status and privileges of permanent employees as is evident from the Fifth Schedule of the Industrial Disputes Act 1947. These facts are also proved from highlighted portions of paragraph 18 on page 329 of Judgment of Hon’ble Supreme Court in Ajaypal Singh Vs Haryana Warehousing Corporation as reported in (2015) 6 SCC 329.

In view of the above mentioned facts, it is proved that Law laid down by Hon’ble Supreme Court in Secretary, State of Karnataka & Ors Vs Uma Devi as reported in III (2006)SLT 539 is not applicable to the case of workman under trial.

12. That the facts of the case MCD Vs Presiding Officer, IT- II & Ors as reported in 2000 II AD (Delhi) 442 which have been highlighted on page 443 are different from the facts of case under trial and as such decision of this case is not applicable to the case of workman under trial. Photo copy of citation has been filed in court on 15.5.2017.

In cited case award of Industrial Tribunal was not sustained because it was held in the award that daily wage/ casual/ muster roll mates working in MCD are entitled to pay /allowances in regular pay scale from the date of their respective initial appointment as has been enjoyed by regularly recruited mates.

But in case under trial, workman is not asking for his regularization w.e.f. 15.8.1996 his date of his initial appointment. But in this case workman is asking for his regularization w.e.f. 1.4.2004 on the basis of order of Double Bench of Hon’ble High Court of Delhi Ex.WW1/1 (page 11) and on the basis of circular of MCD Ex.WW1/2 which has been admitted as genuine by MW1 in his cross examination dated 28.3.2017.

Contents of paragraph 12 of written submission show that management has misrepresented true facts of the case & suppressed the essential facts of case which were in favour of workman.

13. That the facts of the case State of Haryana Vs Jasmer Singh & Ors AIR 1997 SC 1788 as mentioned in highlighted portion on page 1788 are different from the facts of case under trial and as such decision of this case is not applicable to the case of workman under trial. Photo copy of citation has been filed in court on 15.5.2017.

In the cited case duties and functions of regular employees were different from the duties and functions of daily wagers as is evident from the highlighted portion of citation on page 1788.

But in the case under trial duties, functions and working hours of regularized Beldar and muster roll Beldars have been admitted as identical by MW1 in his cross examination dated 24.10.2010.

14. That Authorized Representative (in brief AR) of management has falsely and malafidely stated in paragraph 14 of written submissions that judgments cited by AR of claimant are not applicable because he has not mentioned any fact, circumstance and reason due to which citations of AR of workman are neither applicable nor reliable.

FINDINGS ON ISSUE NO. 1

In this back ground Issue No. 1 is liable to be decided against management and in favour of workman due to want of required and reliable and credible evidence of management and adequate, reliable and credible evidence of workman Sh. Chand Ram. Which is accordingly decided.

FINDINGS ON ISSUE NO.2.

Issue no. 2 is relating to relief of workman.

As issue No. 1 has already been decided against management of M.C.D and in favour of workman sh. Chand Ram , Mustrol Beldar w.e.f. 1.04.2004 conduct of management of M.C.D was not found fair and justified. While disposing of issue no. 1 by me.

Hence workman Sh. Chand Ram, Mustrol Beldar is entitled for regularization of his service since 1.04.2004.

In these background reference is also liable to be decided in favour of workman and against management of M.C.D.

Which is accordingly decided and claim statement is allowed.

Award is accordingly passed.

AWARD

The Central Government, Ministry of Labour & Employment vide its Order No. L-12011/22/2015-IR (B.II) dated 13.05.2015 referred the following Industrial Dispute to this Tribunal for adjudication.

The schedule mentioned in that order is:

“Whether the action of the Management of Indian Bank, Chennai regarding not considering the Charter of Demands placed by the Petitioner Union vide strike notice dated 28.06.2012 is justifiable or not? If not so to what relief the Petitioner Union is entitled?”

2. On receipt of the Industrial Dispute this Tribunal has numbered it as ID 67/2015 and issued notice to both sides. Both parties have entered appearance through their counsel and filed Claim and Counter Statements respectively. The petitioner has filed rejoinder in answer to the Counter Statement.

3. The averments in the Claim Statement filed by the petitioner in brief are these:

The petitioner is an All India Federation of State Level Unions which are registered under Trade Union Act in the respective States. The Unions affiliated to the federation are representing around 3500 employees of the Indian Bank as its members. The petitioner is espousing the genuine grievances of the employees of the Respondent Bank. The petitioner used to be invited regularly by the Respondent for discussion on various issues pertaining to the employees. However, in the year 2000 the Respondent stopped discussion with the petitioner. The petitioner had been insisting the Respondent to consider the Charter of Demands submitted by it. It had agitated peacefully on 02.09.2011 and 16.03.2012. Since the Respondent did not accede to the demand, the petitioner issued strike notice on 28.06.2012 to go on strike on 20.07.2012. The Assistant Labour Commissioner had intervened in the matter but the conciliation efforts ended in failure. The petitioner had raised 24 demands in the Charter of Demands. However, the petitioner is pressing only those demands which are being referred to in the Claim Statement. The Management had not been recruiting sufficient number of Clerks for the establishment. It was not regularizing the services of temporary sub-staffs, sweepers, drivers and canteen employees. It did not consider the demand for overtime wages also. The temporary sub-staff are to be paid in accordance with the circular dated 04.03.1983. However, the Respondent had been paying only a paltry amount as wages. The temporary sub-staff are performing all the duties done by a regular sub-staff. Due to non-availability of permanent sub-staff the temporary sub-staff are made to accompany the Clerks for cash remittance, in violation of laid down norms. They are made to sweep and clean the premises also, in the absence of sweepers in the branches. There was no recruitment to the cadre of sub-staff for more than 15 years. The number of branches have increased while the strength of permanent sub-staff in the establishment has decreased. Most of the temporary sub-staff have worked for several years. Keeping them as temporary employees is unfair labour practice. All of them have worked for more than 480 days continuously within a period of 24 calendar months. Even the vacancies of sub-staff cadre that had arisen on promotion of regular sub-staff to the Clerical Cadre have not been filled-up. The total number of sub-staff required to run the establishment is 4619 while the actual strength of the sub-staff is 1499 out of which 333 are drivers and armed guards. More than 3000 temporary sub-staffs are engaged all over India. Their services should be regularized. There are temporary sweepers engaged in permanent vacancies for a long time. Their services also should be regularized. Canteens are run by the Respondent providing premises, fuel, utensils and other facilities. The Canteen functions only on days when the Bank is functioning. The canteen employees are under the

direct control and supervision of the Respondent Bank. In West Bengal the Respondent Bank absorbed all the canteen employees as sub-staff. The canteen employees should be absorbed in the establishment. The Executives of the Bank are employing personal drivers and the Bank is paying consolidated monthly salary to these drivers through the Executives. Such drivers were regularized in the service of the Bank as permanent drivers in the past. There are several vacancies in the post of drivers in the Bank. The personnel drivers are to be appointed as permanent drivers of the bank. 25% of the vacancies in the sub-staff cadre have to be filled up by way of promotion from among the permanent part-time sweepers as per Government of India guidelines. The vacancies for sub-staff in the bank are more than 3,453. The total number of Sweepers is only 625. All the part-time sweepers are to be promoted as sub-staff. Whenever vacancy arises in a higher scale in the branch the permanent part-time sweepers drawing lower-scale wages in the area shall be posted to higher scale branches. Graduated part-time sweepers are to be promoted to the Clerical Cadre. Sufficient number of armed guards should be recruited. The periodical transfer policy in respect of the Clerical Staff should be scrapped keeping intact the request transfer policy. There is acute shortage of Clerks in the establishment. Sufficient number of Clerks should be recruited. Annual incentive should be paid to the entire workforce rather than a selected few. There should be a direction to pay actual cost of 50 litres of petrol for the revenue expenditure. Canteen subsidy now paid at the rate of Rs. 10/- per working day should be increased to Rs. 25/- per day. Overtime wages should be paid for the work done beyond the prescribed working hours. Risk premium part of GSLI Insurance Scheme should be borne by the Bank. The Bank is prohibited from outsourcing the Core Banking activities as per Industry Level Settlement. The outsourcing carried out in spite of the settlement should be put an end to. The discrimination in the matter of punishment should be removed. The welfare measures of the staff should be improved. The petitioner is not pressing other demands mentioned in the strike notice. An Award may be passed holding that the demands pressed by the petitioner are just and proper and also directing the Respondent to comply with the demands and extend the benefit to the employees.

4. The Respondent has filed Counter Statement contending as below:

The allegations made in the strike notice dated 28.06.2012 are denied. There can only be conciliation and not adjudication over a strike notice. As per the settlement only the recognized union will act as a bargaining agent for the employees. The settlement entered into with the recognized union shall be binding on all the employees irrespective of their membership in the unions. The Charter of Demands made by the petitioner in the strike notice dated 28.06.2012 have been discussed and resolved with the Indian Bank Employees Union which is the recognized union as similar demands were raised in that union's strike notice dated 26.03.2012. It is not proper on the part of the Petitioner Union to raise the dispute based on the same demands. The petitioner has no *locus-standi* to raise the demands as similar demands were already discussed with the recognized union. The petitioner is not entitled to any relief.

5. The petitioner has filed rejoinder denying the allegations made in the Counter Statement

6. Out of the 24 demands that were raised in the Charter of Demands attached to the strike notice dated 28.06.2012 the petitioner had given up 7 demands even while filing the Claim Statement. During the stage of argument the petitioner has filed a memo stating that it is pressing only the following demands :

Demand No. 2 – Annual Incentive to all

Demand No. 5 – Recruitment in Clerical and Subordinate Cadre including Armed Guards

Demand No. 6 – Increase in reimbursement of fuel expenses to Award Staff from 5 litres to 15 litres of Petrol.

Demand No. 8 – Regularization of temporary employees and canteen employees in the Bank service

Demand No. 9 – Filling up of Sweeper vacancies

Demand No. 11 – Promotion of Part-Time Sweeper as Sub-Staff

Demand No. 14 – Canteen subsidy to be increased to Rs. 25/- per day.

Demand No. 21 – Risk premium for GSLI Scheme to be borne by the Bank.

7. Thus now the petitioner is pressing only 8 of the 24 demands raised in the Charter of Demands. So only these issues need be addressed, though evidence was let in other issues referred to in the Claim Statement as well.

8. The evidence in the case consists of oral evidence of WWs 1 to 3 and MW1 and documentary evidence consisting of Ext.W1 to Ext.W189 and Ext.M1 to Ext.M12.

9. **The points to be considered are:**

- (i) Whether the issues referred to in the memo filed by the petitioner are justifiable?
- (ii) What, if any are the reliefs to which the petitioner is entitled?

The Points

10. Regarding the demands raised the counsel for the Respondent has raised a general contention that the ID itself is not maintainable for the reason that it is based on a strike notice only. According to the counsel there cannot be adjudication of the dispute on the basis of a strike notice. However, this is not the case 24 demands were raised by the Petitioner Union and this has been attached to the strike notice. The demands seemed to have been raised even earlier and it was because the demands were not considered. the Assistant Labour Commissioner was approached. The conciliation had ended in failure and thus the matter has come to this Tribunal for adjudication on reference.

11. One of the main demands shown as Demand No. 8 in the demands mentioned in the strike notice is the regularization of temporary employees and canteen employees in the service of the Bank. Along with this there is demand No. 5 regarding recruitment in clerical and subordinate cadre including armed guards and also Demand No. 9 regarding filling-up of vacancies of Sweepers. The counsel for the petitioner wanted these three demands to be considered together and has advanced his arguments accordingly.

12. The demand for regularization of temporary employees can be considered first. In effect the demand is in respect of sub-staff and Sweepers. It is the case of the petitioner that a large number of vacancies are there among the posts of sub-staffs and Sweepers all these are manned by temporary staff who are referred to as casual workers. According to the petitioner most of them have been working for a long time. But the Respondent had not been taking any steps to regularize them in the Bank. The petitioner had submitted a long list of casual workers said to have been working in this manner. However, though the prayer in the claim statement is to regularize all these temporary workers, at the stage of trial the counsel for the petitioner has stated that the petitioner is not pressing for individual regularization of the workers, but it would be sufficient if a direction is given to the Bank for framing a scheme for regularization of such workmen.

13. Initially it is to be seen whether the case of the petitioner that huge number of vacancies are there in sub-staff posts of the Bank is correct. The counsel for the petitioner has pointed out referring to the details available from the Bank itself the number of sub-staffs for the Bank has gradually decreased while the number of branches have increased. The counsel has referred to Ext.W188 the extract of the annual report of the bank for the year 2015-2016 in this respect. This shows that the total number of branches the Bank had as on 31.12.2012 was only 1958 while it was 2565 as on 31.03.2016. Extract from the annual report marked as Ext.W22 would show the gradual decrease in the number of sub-staff. As seen from this, the total number of sub-staffs employed by the Bank as on 31.03.2009 was 3014. However, as on 31.03.2010 the number decreased to 2907. This further decreased by March 2011, 2379 by March 2012, 2158 as on March 2013 and 1851 as on March 2015. It could be seen from Ext.W187 a reply given by the Bank to the petitioner consequent to the strike notice that there was no recruitment of sub-staff in 2012-2013 at all while 20 were appointed in 2013-2014 and 13 in the year 2014-2015. As seen from Ext.W188 the annual report of 2015-2016 the total number of sub-staffs available for the bank was only 1234. Even if it is taken that one sub-staff is only required for each branch and other offices of the Bank the number of sub-staffs available for the Bank is very few. After the annual report of 2015-2016 Several sub-staffs were promoted as Clerks, the vacancies that have arisen consequently have brought the number of sub-staffs further down. Can any branch of the Bank or even an office function without a sub-staff or a Sweeper? If the calculation available from the annual reports are taken into account the post of sub-staffs in most of the branches of the Respondent would be remaining vacant. However, it would not be possible for a branch or other offices to function without any sub-staff.

14. It is to be seen how the branches are managing. Is it without any sub-staff? The documents available would show that several persons are engaged as casuals. They are being utilized to do the work of sub-staff and also that of Sweepers, wherever required. Ext.W48 to Ext.W156 are documents giving the details of persons engaged as casuals to do the work of temporary sub-staff and Sweepers. The counsel for the Respondent has stated that these details have no authenticity and could not be taken into account at all. However, it could be seen that the details given are on the basis of communication given by the Bank itself. The Bank had asked the branches to furnish details of the casual employees. The details furnished by the petitioner are codification of details furnished by the different branches. For example Ext.W62 contains details in respect of one Philomina. The next page of the document is the communication given by the Assistant Branch Manager of P.N. Palayam Branch, Coimbatore to the Chief Manager of Zonal Office giving the details such as date of engagement, date of birth, educational qualification and number of days engaged, etc. in respect of Philomina. She is referred to as a casual employee, in the communication. The copy of the voucher regarding payment made to Philomina also is available alongwith the document. Such details of 156 persons are given as per Ext.W48 to Ext.W156. It could be presumed that at least one person each might have been engaged as sub-staff and as Sweeper in a branch and also in other offices. Even in that case the number of persons engaged as casuals must be very huge. The counsel for the petitioner has referred to Ext.W5, the record of discussion of the meetings held on 03.08.2006 and 05.08.2006 regarding a strike notice. During the discussion it was stated that regarding the issue of absorption of temporary sub-staff from the approved panel the Management has informed to have already initiated action and sought for clarification from the circles. Thus it could be seen that the practice was to prepare a panel from

among the temporary sub-staff and absorb them. The counsel for the petitioner has referred to Ext.W27 consisting of a series of appointments made to the post of Peon in the year 2007. The counsel has pointed out that after this posting in 2007 there was no appointment of sub-staffs at all. The counsel has referred to Ext.W182 to refer to the attempts on the part of the Bank to see that the persons are not continuously engaged. This document, a communication from the Chief Manager states that the vacancies of permanent part-time sweepers are to be managed by engaging casual labourers on turn basis and no single person should be engaged and paid wages for more than a maximum of 18 days in a calendar month.

15. WW3 has been examined on the side of the petitioner to prove the nature of work done by the persons engaged as casual workmen. He has stated that he was engaged by Rajakilpakkam Branch, Chennai from February 2000. He has stated that the time of the branch is from 0900 AM to 0400 PM but he starts his work at 0850 AM in the morning itself and this lasts till 0730 PM when the Officer closes the branch. He has further stated that he has been working on all days and at times even on Sundays for loan recovery work as directed by the Branch manager. At the time of his examination he was getting wages at the rate of Rs. 350/- per day, paid once in three days. He was not paid any wages for weekly holidays. The counsel for the petitioner informed during his argument that WW3 who has been working continuously from the year 2000 in the branch had been turned out by the branch and is now without any work for the reason that he has given evidence before this Tribunal. It is clear from the evidence that the persons named as casuals must be carrying out all the duties to be done by sub-staffs or Sweepers as the case may be. The counsel for the petitioner has referred to Ext.W20 to show the nature of work to be done by the Sub-Staff, Dafedar, etc. Ext.W20 the Desk Card for sub-staff states that they shall perform all the normal and routine duties of the subordinate staff cadre. WW3 has stated in detail about the nature of work that is carried out by him. It could be seen that he was doing all the work that is expected to be carried out by a sub-staff.

16. Ext.W16 has been referred to by the counsel for the petitioner to point out that the Bank has the autonomy to regularize the temporary workers. But Ext.W16 is the given in parliament on question regarding the vacancies at the Bank. It has been stated in answer that the Government has granted managerial autonomy to the Banks in the matters relating to human resources including recruitment as per their requirements. Thus according to the counsel the Bank is having authority to frame a scheme for regularization of persons who are now working as casual workers. It is not disputed by the counsel for the Respondent that the Tribunal is within its authority to direct the Respondent to frame a scheme.

17. The counsel for the petitioner has referred to the scheme framed by the Syndicate Bank and Canara Bank for the purpose also. Ext.W32 is the circular issued by the Syndicate Bank regarding regularization of temporary employees in Sub-Staff Cadre. The Bank has drawn a scheme regarding the manner in which it is to be done. Ext.W34 is the settlement entered into by Bank of Baroda with the recognized union in the matter of absorption of casual/temporary peons and sweepers. It provides for absorption of these employees in a phased manner. On the basis of this it is pointed out by the counsel for the petitioner that the Public Sector Banks had been resorting to the practice of absorption of temporary employees. It is apparent that the Banks are having the power to take steps for absorption of its employees by framing scheme or otherwise.

18. It is very much apparent from the evidence that WW3 and so many other casual workers whose names and other details are given by the petitioner have been working in the Respondent establishment for a long time. Their service was being appropriated by the Respondent in the same manner as that of temporary employees. In spite of their long service they are not getting any benefits due to permanent employees. In fact they are being exploited naming them casual workers.

19. The Respondent has a contention that the casual employees having been not recruited based on an application or an interview, they could not be made permanent in the establishment in view of the decision in Uma Devi's case. In answer to this, the counsel for the petitioner has referred to the decision in MAHARASHTRA STATE ROAD TRANSPORT CORPORATION AND ANOTHER VS. CASTERIBE RAJYA PARIVAHAN KARMACHARI SANGHATHAN reported in 2009 8 SCC 556. Explaining the dictum laid down in Uma Devi's case the Apex Court has held in this:

“Uma Devi is an authoritative pronouncement for the proposition that the Supreme Court (Article-32) and the High Courts (Article-226) should not issue directions of absorption, regularization or permanent continuance of temporary, contractual, casual, daily wage or ad-hoc employees unless the recruitment itself was made regularly in terms of the constitutional scheme.

Uma Devi does not denude the Industrial and Labour Courts of their statutory power under Section-30 read with Section-32 of MRTU and PULP Act to order permanency of the workers who have been victims of unfair labour practice on the part of the employer under Item-6 of Schedule-IV where the posts on which they have been exist. Uma Devi cannot be held to have overridden the powers of the Industrial and Labour

Courts in passing appropriate order under Section-30 of MRTU and PULP Act, once unfair labour practice on the part of the employer under Item-4 of Schedule-IV is established”.

In view of the above dictum there cannot be any doubt about the power of the Industrial Tribunal to give direction for absorption in proper cases. Item-10 of Schedule-V of the Act states that to employ workmen as badlis, casuals or temporaries and to continue them as such for years with the object of depriving them of the status and privileges of permanent workmen is unfair labour practice. The concerned workmen who were made to work for long years as casual workmen are entitled to be regularized in service. The Respondent has to frame a scheme for this purpose.

20. The petitioner has claimed that Canteen employees are also entitled to be regularized. It is stated in the Claim Statement that the West Bengal Canteen Employees were regularized in the service of the Respondent Bank as sub-staff in accordance with an Award passed by a Tribunal. It is stated that the Respondent has provided Canteen facilities to its employees in the offices and the Respondent has been providing premises, fuel, utensils and other facilities for this purpose. It is further stated that the Canteen is functioning on days when the Bank is functioning only. The Canteen employees are said to be under the direct control and supervision of the Respondent Bank. It is further stated that they have been working for several years for a paltry sum and are entitled to be absorbed in the service. WW1 has reiterated this case in the affidavit filed by him. Ext.W29 contains a list of persons who are said to be Canteen workers.

21. Apart from the statement given by the petitioner that the Canteens are functioning directly under the control of the Bank, there is no other evidence in this respect. None of the workmen who are named in Ext.W29 are examined on behalf of the petitioner. MW1 examined on behalf of the Respondent has of course admitted during his cross-examination that there is a Canteen functioning in the premises. However, according to him the Canteen is not run by the Respondent. The evidence of the petitioner is not sufficient to establish that there is a Canteen run directly by the Respondent for the purpose of the employees and that the workmen of the Canteen are directly under the Respondent.

22. The counsel for the petitioner has referred to Ext.W8 which would show that the Canteen employees of the Respondent in Kolkata were regularized and posted as sub-staff. However, it could be seen on going through Ext.W8 the judgment of Kolkata High Court that this was on the basis of a compromise entered into by the Bank and the workmen. So far as the present case is concerned it is not even established that Canteen is run by the Respondent and the workmen are under its control. Merely because there is a Canteen functioning at the premises for the use of the employees it cannot be presumed that this is run by the Respondent or that the workmen are under the Respondent.

23. The petitioner is claiming regularization of personnel drivers also. It is stated in the Claim Statement that the Executives of the Bank are employing Personal Drivers and the Bank is paying consolidated monthly salary through the Executives who are engaging Personal Drivers. It is further stated that in the past service of Personal Drivers were regularized. The vacancies are said to be existing in the post of Drivers. The petitioner has reiterated in his Proof Affidavit about the demand of regularization of Personal Drivers.

24. The counsel for the petitioner has referred to Ext.W3 order issued by the Central Government in support of the case that Personal Drivers can be regularized. Ext.W3 is an order issued by the Government of India requesting the IBA to issue a circular to the Banks. This was done in the background of proposals received relating to absorption of Personal Drivers. It is stated in the order that the Banks are competent to take decision in this respect with the approval of their Boards.

25. It is clear from the very contention of the Claim Statement that the Drivers are engaged by the concerned Executives and not by the Banks. Salary is paid by the Executives, though payment is stated to be by the Banks through the Executives. The very position of these Drivers being that of Personal Drivers, they are not in the employment of the bank either on temporary basis or as casual workmen. So it is for the Respondent to decide whether these Drivers engaged by the Executives are to be absorbed as employees of the Bank or not. The petitioner is not entitled to any relief in this respect.

26. Demand No. 5 of the petitioner is that sufficient number of employees should be recruited in the Clerical Cadre and in the Subordinate Cadre including Armed Guards. The argument that is advanced is that huge number of vacancies are existing in the establishment and the employees are experiencing pressure of work. While discussing the issue on regularization of temporary employees I have stated that Banks shall take steps for such regularization. Recruitment in the Bank is a policy matter to be taken by the Bank. However, it is in the interest of the Bank also that the vacancies are filled-up by taking necessary steps for recruitment. The petitioner is not entitled to a direction from this Tribunal in this respect. This is the case with Demand No. 9 claiming to fill up the vacancies of Sweepers also.

27. There is also a demand for the petitioner that Part-Time Sweepers shall be promoted as sub-staff. The petitioner has stated in the Claim Statement that as per Government of India guidelines 25% of the vacancies in the sub-staff cadre have to be filled-up by promotion from permanent part-time sweepers. It is further stated that vacancies in the sub-

staff cadre as estimated is 3,453 while the total number of Part-Time Sweepers in the Bank is only 625 and therefore all the Part-Time Sweepers are to be promoted as sub-staff. WW1 has referred to this aspect in his Proof Affidavit also.

28. Ext.W1 is the settlement entered into between the Bank and Federation of Indian Bank Employees Union regarding conversion of permanent Part-Time Sweepers as Full-time employees in the sub-staff cadre. One of the terms of this settlement dated 26.11.2015 which is subsequent to the raising of the dispute is that 25% of the Sub-Staff vacancies will be filled-up from the cadre of Sweepers. It is seen from Ext.W19 that in 2016 several Sub-Staffs were promoted as Clerks. Reference was earlier made to the number of sub-staff and Sweepers the Bank. So there is no doubt that vacancies are available.

29. The counsel for the petitioner has referred to the decision in FCI AND OTHERS VS. PARASHOTAM DAS BANSAL AND OTHERS reported in 2008 5 SCC 100 in this respect. The Apex Court has held that an employee of a State although has no fundamental right of promotion, has a right to be considered therefor. It was further held that when employees are denied opportunity for a long time on the ground that they fell within the category of employees excluded from promotional prospect, the Court will have the jurisdiction to issue necessary direction. In the present there is already settlement providing for promotion. This has been set at naught by creating the post of Housekeeper-cum-Peon as per Ext.W18. This shall not restrict the right that is already provided for promotion. The Respondent has to take speedy steps to fill up 25% of the vacancies from among the Sweepers.

30. There is also a claim for the petitioner that the fuel expenses for the employees should be increased. It is stated in the claim Statement that at present the Award Staff are getting Transport Allowance of Rs. 425/- but this is not sufficient to meet the transport expenses. It is further stated that the Federation of Unions have demanded that cost of 15 litres should be given and the Management has given Rs. 370/- as reimbursement on fuel expenses, but in view of the fluctuation in fuel price the Bank has to pay the actual cost of 15 litres of petrol.

31. The counsel for the petitioner has referred to Ext.W39 and Ext.W43 where other Banks had provided for larger amount towards fuel expenses. As per Ext.W39 the circular issued by Canara Bank its Special Assistants are entitled to Rs. 500/-, Single Window Operator A&B Rs. 400/- and sub-staff Rs. 300/- towards fuel expenses. By Ext.W43 circular Oriental Bank of Commerce provides for reimbursement of Petrol expenses. The Special Assistants of the Bank are entitled to reimbursement of Rs. 800/- a month, Clerks Rs. 700/- and Subordinate Staff Rs. 600/- a month. It could be seen from the difference of the amount of reimbursement given by the two Banks itself that the amount is decided on the basis of circumstances that exists in each establishment. The petitioner is not entitled to a relief in this respect.

32. There is also a claim that annual incentive should be given to all the employees. The petitioner has stated in the Claim Statement that by a circular the Respondent has unilaterally announced incentive scheme to the staff. The amount payable is Rs. 50,000/- in rural branches, Rs. 75,000/- in semi-urban branches, Rs. 1.00 lakh in urban branches and Rs. 1.50 lakh in Metropolitan Branches. As per the circular the Manager is to select the staff members to whom the incentive is to be paid. It is alleged by the petitioner that all the staff members of the branch were not getting the incentive and the scheme was not being implemented for more than 7 years. According to the petitioner, incentive is payable to all the staff members of the selected branch.

33. Ext.W9 is the incentive scheme provided by the Bank. It could be seen from this that the scheme has been launched to reward the top performers in their operational areas. In that case there is no justification in the petitioner demanding that it should be paid to all the staff of the selected branch. In that case the very purpose of the scheme will be defeated. So the claim of the petitioner to have the incentive paid to all the staff of the selected Bank could not be adhered to.

34. There is a further complaint for the petitioner that even if the scheme was there it was not being implemented for several years. When the scheme for incentive is there certainly it should be implemented. Respondent should take steps to implement the scheme as provided for.

35. There is also a demand for increase in the Canteen subsidy. The subsidy payable was at the rate of Rs. 10/- a day. The demand is to increase it to Rs. 25/- a day. It is seen from Ext.M10 that the subsidy payable has been raised to Rs. 15/- per employee w.e.f. 05.10.2016. According to the counsel for the petitioner this is not sufficient when the cost of living is taken into account. Probably Rs. 15/- or even Rs. 25/- may not be sufficient for the food expenses of an employee for a day. However, what is intended is not to give reimbursement on the entire amount spent. I am not inclined to grant any relief on this count also.

36. There is another demand for the petitioner that risk portion of GSLI scheme is to be borne by the Bank. Out of Rs. 102/- paid as premium the risk portion is Rs. 28.67 and the savings portion is Rs. 73.33. The savings portion is returned to the employee with interest. The demand of the petitioner is that the risk portion of the premium should be

borne by the Bank. Apart from that those employees who have joined the Bank since 2012 are not covered by the GSLI scheme at all. According to the petitioner the facility is to be extended to them also.

37. It is by Ext.M10 the scheme is made inapplicable to those who joined the Bank after 01.07.2013. It has been argued by the counsel for the petitioner that it is unfair on the part of the Bank in denying the benefit of the scheme to a particular section of employees. The petitioner has not stated on what basis it has been provided that the scheme will apply only to those who joined before 01.07.2013. It is not unusual for the employer to make such restrictions as and when the circumstance demand. So the claim of the petitioner to have the scheme extended to all the employees could not be acceded to.

38. Even the claim of the petitioner that risk portion of the premium should be borne by the Bank has no basis. The scheme is intended to provide financial relief in the event of death of an employee. It is only natural that the portion of the premium towards the risk also is borne by the employee alongwith is the Savings portion. The petitioner has not stated on what basis the Bank is to be made responsible for the payment. The petitioner is not entitled to any relief in this respect.

39. It has been argued by the counsel for the Respondent that all the demands are matters which were dealt with in the settlement entered into with the recognized union. However, the Respondent has not produced the settlement. Ext.W157 would show that the Bank was not willing to discuss the cause of the temporary employees which has been raised by the recognized union as well. In the reply given by the Bank to the Federation of Unions it is stated that the recruitment of Sub-Staff and conversion of permanent Part-Time Sweepers into Sub-Staff cadre are governed by the Government of India guidelines and the request of the federation to absorb the casual employees cannot be acceded to. So it is clear that even at the time of last settlement the matter was not considered. So execution of a settlement by the Bank and the recognized union is not a bar in granting a relief to the petitioner, in any case.

40. The counsel for the petitioner has argued that until a scheme for regularization of the temporary workmen is finalized and implemented the concerned workmen shall be given pay equal to that of the permanent workmen. The counsel for the petitioner has referred to the decision of the Apex Court in STATE OF PUNJAB AND OTHERS VS. JAGJIT SINGH AND OTHERS in Civil Appeal No. 213/2013 in this respect. In this the Apex Court has considered all the previous decisions regarding payment of equal pay for equal work. Considering everything the Apex Court has held that for entitlement of similar pay the sole factor that requires determination is whether the concerned employees were rendering similar duties and responsibilities as were being discharged by regular employees holding the same / corresponding posts.

41. In the present case it is very much clear from the payment vouchers submitted and also from the evidence given by WW3 that Temporary Sub-Staff and Temporary Sweepers working in the Bank are doing work similar to permanent sub-staff and permanent sweepers respectively, in the Bank. Many of them have been working in the Bank for years and years without getting even minimum wages. Having found that, they are entitled to be regularized in the service of the Respondent, they are entitled to be paid wages equal to that of their co-employees who are in regular service at the entry level, until the scheme is finalized and implemented.

42. Ext.W34, the scheme for absorption by Bank of Baroda provides for absorption in a phased manner so that those who have started to work earlier could be absorbed initially and others in the second and third phases. The Respondent also can frame a scheme in tune with the Ext.W34.

On the basis of the above discussion an Award is passed as below:

The Respondent is directed to frame a scheme in tune with Ext.W34 for regularization of the temporary Sub-Staff and Sweepers

The scheme shall be framed and implemented within one year.

The Respondent shall pay all the Temporary Sub-Staff and Sweepers at the entry level scale of Permanent Sub-Staff and Sweepers respectively, until the scheme is implemented.

The Respondent shall take steps to give promotion to Sweepers as Sub-Staff as per Government guidelines.

The Respondent shall also take steps to implement the annual incentive scheme.

Reference is answered accordingly.

AWARD

This is a reference by clause (d) of sub-section (1) and sub-section (2-A) of Section 10 of the Industrial Disputes Act (herein referred to as “the Act”) made by the Government of India in the Ministry of Labour vide its letter No. L-12012/53/2006 – IR(B-II), dated 11.10.2006 for adjudication of a dispute between the Management of UCO Bank and the disputant Shri Chandramani Prusty and the schedule of reference is as hereunder:-

“Whether the action of the Management of UCO Bank in terminating the services of Shri Chandramani Prusty is legal and justified? If not, to what relief the concerned workman is entitled?”

2. The case of the disputant workman is that he was engaged in the Oupada branch of the Management-Bank as a casual worker with effect from 10.07.1984 on daily wage basis. The wage amount was credited to his S.B. Account in the said branch. He worked for more than 240 days in a year on different occasions. According to him on 24.8.1991 he was refused employment without any prior notice or notice pay and compensation, which amounts to retrenchment in

violation of the provisions of Section 25-F of the Act. It is his specific stand that he worked for more than 240 days continuously and uninterruptedly in a twelve months calendar year preceding to his refusal of employment. As provisions of Section 25-F was not complied with while refusing employment to him, his alleged retrenchment was void and illegal and he is required to be reinstated as a casual workman with all back wages and other consequential benefits. It is pertinent to mention here that as per his statement of claim there was an earlier reference for its adjudication with the schedule “whether the action of the Management of the UCO Bank in not regularizing the services of 25 workmen mentioned in the Annexure is justified? If not to what relief the workmen are entitled”? The disputant was listed in Sl. No. 1 of the Annexure of the said reference. The said reference was disposed of by this Tribunal vide I.D. Case No. 40/1991 (C) with an award whereby the retrenchment of the disputant workman by the Management-Bank was held illegal and it is directed to regularize the services of those 25 workmen including the disputant. The Management-Bank challenged the award before the Hon’ble High Court of Orissa in a writ bearing O.J.C. No. 6932/1995. While disposing the said writ the Hon’ble High Court has modified the award in respect to the regularization of service of the disputant workman and two others holding that the Tribunal was beyond its jurisdiction to look into the illegal retrenchment of the workman and two others since their retrenchment was not the subject matter of the reference and as they were not in employment, question of regularization of their service did not arise. It is the claim of the disputant workman that he raised a dispute before the Asst. Labour Commissioner (Central), Bhubaneswar for his alleged retrenchment as well as for regularization of his service. But, the reference being silent on the aspect of his illegal retrenchment was disposed of by the Tribunal so far the dispute of regularization of services of 25 workmen including him was concerned. That award having been modified by the Hon’ble High Court, he had no alternative than to raise a fresh dispute before the Asst. Labour Commissioner (C), Bhubaneswar for his illegal retrenchment after modification of the award by the Hon’ble High Court. As no notice pay and compensation was paid while refusing further engagement to him, which amounts to retrenchment, he shall be reinstated with all back wages and other consequential service benefits.

3. The Management-Bank has contested the claim of the disputant workman taking a stand that in view of disposal of earlier reference in I.D. Case No. 40/1991 and the writ bearing No. O.J.C 6932/1995, the present reference is bad in the eye of law. Further, it has been asserted that the disputant workman was never given any appointment in any capacity in the branch of the Management-Bank and as such there was no relationship of “employer and employee” between them and question does not arise for refusal of employment to him. His engagement, if any, was in capacity of a daily wager as and when required and the same was intermittent. There was no need for the branch to engage him on a daily wager and he did not also turn up to work as a daily wager after 24.8.1991 onwards. Such engagement was never exceeded 240 days continuously in a year or twelve calendar months preceding to his alleged refusal of employment. Hence, he was not entitled to any notice pay and compensation and his disengagement, if any, was not in violation of the provisions of Section 25-F of the Act. That apart, the Management has challenged the maintainability of the dispute on the ground of the same being raised after fifteen years. The reference is also challenged on a contention that on the basis of a settlement with temporary casual workers, it was decided that persons engaged for more than 240 days in a year for a continuous period of three years would be eligible for their absorption against regular vacancies of subordinate or sub-staff of the Management-Bank subject to having other required eligibility. Accordingly application was invited from such casual daily workers engaged in various branches of the Management-Bank. The disputant workman was an applicant and his claim for absorption would not come to the consideration zone as per the terms of settlement dated 12th October, 1998 and he could not be regularized. Having been a party to the settlement as a result of which he was appointed against permanent posts, he is also debarred from raising any dispute. Accordingly, the Management have submitted for dismissal of the claim statement of the disputant.

4. On the aforesaid pleadings of the parties the following issues are settled.

ISSUES

1. Whether the reference is maintainable?
 2. Whether the action of the Management in terminating the service of the workman Sri Chandramani Prusty was justified?
 3. If not, to what relief the workman is entitled?
5. The disputant workman and the Management have examined one witness each in support of their respective pleadings and filed documents like xerox copy of the letter dated 28.8.1992. The Management has proved and exhibited the documents like copy of the application dated 18.11.1989 of the disputant workman, xerox copy of the transfer certificate, xerox copy of the circular dated 19.10.1989 with enclosure xerox copy of the judgement of the Hon’ble High Court of Orissa dated 2.9.1995 passed in O.J.C. No. 6932/1995, xerox copy of the complaint given to R.L.C.(C), Bhubaneswar, xerox copy of the reply/views dated 23.1.2006 on the complaint marked Ext.-A to F.

FINDINGS

6. For the sake of convenience all the issues are taken up together.

The disputant workman having been examined as W.W.-1 has categorically stated and claimed in his oral evidence that though he worked in the branch of the Management-Bank from 10.07.1984 to 24.08.1991 as a temporary Messenger on the basis of daily wage and he worked for more than 240 days continuously and uninterruptedly in a twelve months calendar year preceding to his disengagement after 24.08.1991, he was not paid compensation and one month notice pay in lieu of termination of his service. Since his termination without notice pay and compensation was illegal and unjustified, he is required to be reinstated along with his all back wages and other consequential benefits. The witness examined on behalf of the Management has denied the assertions of the disputant workman making a statement that his engagement, if any, was purely on daily wage basis as and when extra service was required in the branch and his such engagement was never exceeded 240 days continuously in a year. The disputant workman has filed a photocopy of correspondence between the then Branch Manager and the Zonal Officer which has been marked as Ext.-1. On a close scrutiny of the Ext.-1 it is found that in between 1985 to 1990 except the year 1989 the disputant workman was engaged for more than 240 days in a year in those period. He had also worked 189 days from 1st January, 1991 to 24.8.1991 and he worked 295 days in the calendar year of 1990. If the period of his engagement as a casual labour for the year 1990 and 1991 are taken together it can be safely inferred that he worked for more than 240 days continuously and uninterruptedly prior to his disengagement after 24.8.1991. His service on hire is not also disputed seriously by the Management. Being appointed as a casual daily wager for discharging the duty of a temporary Messenger he was not expected to have been issued with any appointment letter. Moreover, the Management-Bank has not seriously challenged his engagement in the branch of the Bank. On the other hand it is emerging from the oral evidence of the Management witness and the Xerox copy of the circular of the Management-Bank dated 19.10.1989 with regard to the subject of the empanelment and absorption of persons engaged on daily wage basis that a settlement was reached out between the Management-Bank and the Employees Union where-by it was decided that casual workers working for a period of 240 days in a year for three consecutive years would be given an opportunity for their absorption against the post of Messenger/sub-staff of the Management-Bank subject to their other eligibility. Accordingly, applications were invited from casual daily workers. The present disputant was an applicant. But, his application was rejected as he did not complete 18 years when he was first engaged as a daily wager on 10.07.1984. The application was invited in the year 1989 pursuant to the settlement dated 12th October, 1989. Therefore, it is found that by the time of October, 1989 the disputant workman was above eighteen years old and his application was rejected on account of he being not completed the age of eighteen years at the time of his initial engagement as a daily wager on 10.07.1984. Be that as it may, there is no serious controversy with regard to the employment of the disputant workman in the branch of the Management-Bank for the period of 10.7.1984 to October, 24.08.1991 so also his engagement as a daily wager for a period of more than 240 days continuously and uninterruptedly in a twelve months calendar year prior to his disengagement after 24.08.1991. It is to be noted here that as per the settled principle a person, in order to be a "workman" is not required to be employed in a substantive capacity or on a temporary basis in the first instance or after he found suitable for the job or after a period of probation. It is well settled that every person employed in an "Industry", irrespective of his status, be it temporary, permanent or of a probation would be a "workman". Thus, if the evidence on the record is taken into consideration along with the principle mentioned above it can be safely said that the disputant is a "workman" of the Management-Bank as defined under the Act and it is established that he worked for more than 240 days continuous service as defined under Section 25-B of the Act.

7. It is not disputed by the Management that the disputant was not engaged after 24.8.1991. Though it has been asserted by the Management that the disputant did not turn up to work, there is nothing on the record to show that he was ever noticed for his unauthorized absence or voluntary abandonment of the job. Hence, it can be safely held that the workman was refused engagement/employment in the job and as such the said refusal of engagement amounts to retrenchment as defined under section 2(oo) of the Act and the same is not covered by any exception as enumerated in the above provision. There is also no assertion or evidence on the part of the Management to establish that the workman was ever paid any notice pay and compensation as per the provisions of Section 25-F of the Act when his service was dispensed with. In the above back-drops the retrenchment of the disputant was in violation of Section 25-F of the Act.

8. The Management has challenged the maintainability of the reference contending that the disputant was a party to the settlement dated 12th October, 1989 and pursuant to the said settlement he was given an opportunity for being absorbed in the sub-staff cadre of the Management-Bank. But, his application was rejected as he was not eligible on the age ground. Being a party to the settlement he is estopped from raising a dispute and there was no dispute for its adjudication. Coming to the above contention it is seen that there is no evidence on the record to show that the disputant was a member of the Union who was a signatory to the settlement or he was a signatory to the above settlement. The settlement cannot take away the right of a workman to raise a dispute if he was otherwise aggrieved. The settlement does not disclose that workman engaged on daily wage basis in the Management-Bank would be

refused engagement or employment once they became an applicant for the post of Messenger/sub-staff. Retrenchment was not a subject matter of the said settlement. The dispute came into existence when an engagement/employment was refused to the disputant. For the discussions made above the contention raised by the Management has no leg to stand.

9. The maintainability is also challenged on the ground of the dispute being raised after fifteen years of the alleged retrenchment. Admittedly, the disputant brought an allegation before the Asst. Labour Commissioner (Central), Bhubaneswar for the first time in the year 1995 for his alleged refusal of employment which has given rise to the present reference. It is not in dispute that though Limitation Act, 1963 is not applicable to the reference made under the Act, but delay in raising industrial dispute is definitely an important circumstance which the Tribunal/Labour Court must keep in view at the time of exercise of discretion irrespective of whether or not such objection has been raised by the other side in view of the Act being silent on the period in which an industrial dispute can be raised. The legal position laid down by the Hon'ble Apex Court in the case of Assistant Engineer, Rajasthan Development Corporation and Another –versus- Geetam Singh reported in (2013) 5 SCC 136 is that before exercising its judicial discretion, the Labour Court has to keep in view all relevant factors including the mode and manner of appointment, nature of employment, length of service and the cause of delay in raising industrial dispute before grant of relief in an industrial dispute. In the case at hand it cannot be over-sighted that there was a reference in which regularization of service of the disputant and 24 others was a subject matter of the dispute in the reference case No. 40/1991(C), and an award passed in favour of the disputants was modified by the Hon'ble High Court in O.J.C. No. 6315/1995 while the same was disposed of on 6932/1995. The disputant raised his dispute with regard to his illegal termination after such modification of the award by the Hon'ble High Court. It is emerging from the copy of the order of the Hon'ble High Court as well as pleading and evidence of the parties that this Tribunal had directed regularization of service of the disputant workman taking a stand that their termination/retrenchment was not legal and justified being violative of provisions of Section 25-F of the Act. However, the Hon'ble High Court have modified the award so far the present disputant and two others are concerned taking a view that the Tribunal is a creature of the Act and the term of reference and as a settled principle it cannot go beyond the schedule of reference. According to the Hon'ble High Court the schedule of the reference was silent as to illegal retrenchment/termination of service of the disputant and two others and as such the Tribunal had no scope to give a finding on the retrenchment of the disputant workman and two others keeping in view the schedule of the reference. In that view of the matter the Hon'ble High Court did not confirm the award of this Tribunal so far regularization of services of the disputant and two others are concerned and modified the award accordingly. It has been asserted by the disputant that he pleaded in the earlier reference about his illegal termination for which the Tribunal asked regularization of his service holding the retrenchment was in violation of Section 25-F of the Act. Since the award is modified he had no alternative than to raise a fresh dispute. In the above facts and circumstances it can be safely inferred that the delay in raising the dispute has been reasonably explained and there was no malafide on the part of the disputant for such inordinate delay in raising a dispute on his retrenchment. From the facts and circumstances discussed above, it cannot be held that the disputant was callous and negligent in prosecuting the matter. On the other hand no period of limitation is prescribed in the Act for raising an industrial dispute. As a matter of settled principle the Court may mould the relief by refusing back wages or directing back wages in part if such a dispute is raised belatedly. In this regard it is profitable to quote the principle set out by the Hon'ble Apex in the case of Ajaib Singh –versus- The Sirhind Co-operative Marketing-cum-Processing Service Society Ltd., and Another reported in AIR 1999 SC 1351 wherein it was held that :-

“It follows, therefore, that the provisions of Article 137 of the Schedule to Limitation Act, 1963 are not applicable to the proceedings under the Act and that the relief under it cannot be denied to the workman merely on the ground of delay. The plea of delay if raised by the employer is required not be proved as a matter of fact by showing the real prejudice and not as a merely hypothetical defence. No reference to the Labour Court can be generally questioned on the ground of delay alone. Even in a case where the delay is shown to be existing, the Tribunal, Labour Court or Board, dealing with the case can appropriately mould the relief by declining to grant back wages to the workman till the date he raised the demand regarding his illegal retrenchment/termination or dismissal. The Court may also in appropriate case direct the payment of part of the back wages instead of full back wages.”

Keeping in view the above settled principle and the provisions of the Act as well as the discussions made above I am of the considered view that the objection raised by the Management with regard to delay in raising the dispute cannot be accepted and relief cannot be denied to the disputant workman on the above ground only if he is otherwise entitled to any remedy under the Act for his illegal retrenchment.

10. Now coming to the issue, to what relief the disputant is entitled, it is found that retrenchment of the disputant workman was in violation of Section 25-F of the Act. It is seen that by a catena of decisions in recent time the Hon'ble Apex Court have clearly laid down that an order of retrenchment passed in violation of Section 25-F although may be set aside, but an award of reinstatement should not be automatically passed. The award of reinstatement with full back wages in a case where the workman has completed 240 days of work in a year preceding the date of termination, particularly, daily wages has not been found to be proper by the Hon'ble Apex Court and instead compensation has

been awarded. At the same time it has been also well settled by the Hon'ble Apex Court in a catena of decision that relief of reinstatement may not be the natural consequence and it depends upon the facts and circumstances of each case. In the very nature of things there cannot be a straight jacket formula for awarding relief of reinstatement and back wages. All relevant considerations will entire the verdict. More or less the Tribunal will exercise its discretion keeping in view all the relevant circumstances. But the discretion must be exercised in a judicial and judicious manner. The reason for exercising discretion must be cogent and convincing and must appear on the face of the record. Coming to the case at hand it is not in dispute that he was in temporary job for more than six years. There is in the pleading and evidence of the parties that this Tribunal as well as the Hon'ble High Court have directed regularization of service of some other temporary workmen like the present one in an earlier reference and the disputant workman was denied such relief as he was found to have been disengaged by the Management-Bank when such dispute of regularization of temporary workmen was raised. Had he been continued in his temporary job he could have been regularized in service by this time by virtue of the said award. His application for the permanent post of sub-ordinate staff was rejected merely on the ground that he was not eighteen years old when he was engaged as a temporary daily wager on 10.07.1984. It cannot be over-sighted that when application was invited from such daily wagers like the disputant workman for their absorption against the regular post of sub-staff, the disputant was already completed eighteen years and his application should not have been rejected on the basis that at the time of his initial engagement as a daily casual worker he had not completed eighteen years. In the above back-drops it is a fit case to direct the Management to reinstate the disputant with fifty percent of his back wages to be fixed from time to time on the basis of Minimum Wage Act. Further keeping in view the award passed in earlier reference No. 40/1991(C) and the judgement/order of the Hon'ble High Court passed in O.J.C. No. 6932/1995 the Management-Bank is also at liberty to consider the claim of the disputant workman towards regularization of his service without being influenced by any observation made in this Tribunal.

ORDER

Authorized representative for the 1st Party-Management is present. The 2nd party-Union is found absent on repeated calls. After filing of statements/pleadings by the parties and settlement of issues the case was fixed for evidence of the 2nd party-Union. The record further reveals that despite several adjournments from time to time the 2nd party-Union failed to make its appearance or to take any step to adduce its evidence in support of the dispute raised by it. In the above back-drops and in absence of the 2nd party-Union there is no alternative than to presume that either the Union has lost its interest to pursue the dispute for its judicial adjudication or there exists no further dispute between the parties. In the given situation I am constrained to return the reference to the Ministry for taking necessary action at their end.
